

2026-2027 PSSC Equivalency Credit

PSSC CTE equivalency credit provides students an opportunity to meet core subject area learning standards aligned to their PSSC program. All equivalency credits in each program count as 2-for-1 credit (they count both for the core subject area and the CTE credit for graduation requirements, but they do not double the total number of credits). Students can earn up to 3.0 equivalency credits for the year in their PSSC program, and their transcript will automatically post equivalency credits (no form is needed). Students can earn equivalency credit for every year they attend PSSC. All credits per program are the same for 1st and 2nd-year students.

Students must demonstrate meeting and/or exceeding standards AND complete their PSSC Capstone project (Year 1 and Year 2) meeting and/or exceeding standards to pass their PSSC class and earn credit.

PSSC Program	Equivalency Credit
Aeronautical Science (PSSC Campus & MoF Campus)	1.0 CTE, 1.0 Lab Science, 0.5 Civics, 0.5 SS
Aeronautical Science Pathway (MoF Campus)	2.0 CTE, 1.0 Lab Science
Advanced Construction Technology	1.0 CTE, 1.0 Math (3 rd Year), 1.0 Fine Arts
Auto Body Technology	1.0 CTE, 1.0 Math (3 rd Year), 1.0 Fine Arts
Automotive Technology	1.0 CTE, 1.0 Math (3 rd Year), 1.0 Lab Science
Aquaculture, Fisheries, & Science Technology (Formerly Marine Science Technology)	1.0 CTE, 1.0 Lab Science, 1.0 ELA
Behavioral Health	1.0 CTE, 1.0 non-Lab Science, 1.0 Health
Cyber Security	2.0 CTE, 1.0 Math (3 rd Year)
Dental Assisting	1.0 CTE, 1.0 Lab Science, 1.0 Health
Digital Sound & Recording	1.0 CTE, 1.0 Math (3 rd Year), 1.0 Fine Arts
Fire & Emergency Services	2.0 CTE, 1.0 PE
Health Science 1	1.0 CTE, 1.0 Lab Science, 1.0 Health
Law & Justice - College in the High School (CiHS)	1.0 CTE, 1.0 PE, 1.0 Civics
Pharmacy Technician	1.0 CTE, 1.0 Lab Science, 1.0 Health
Pre-Nursing (Certified Nursing Assistant)	1.0 CTE, 1.0 Lab Science, 1.0 Health
Pre-Veterinary Technology	2.0 CTE, 1.0 Lab Science
Sports Medicine - College in the High School (CiHS)	1.0 CTE, 1.0 non-Lab Science, 1.0 Health
Teaching Academy - College in the High School (CiHS)	2.0 CTE, 1.0 ELA
The Institute for Culinary Arts & Sciences	1.0 CTE, 1.0 Lab Science, 1.0 Fine Arts
Video Game Design & Development	1.0 CTE, 1.0 Math (Geometry), 1.0 Fine Arts
