

Strong Classrooms • Safe Schools

Prior Lake-Savage Area Schools, November 3, 2026 Referendum Election

Understanding the Ballot Questions and Need for Fiscal Stability

Laker Pride

AP Scores Continue to Rise

#WeArePLSAS

Five-year snapshot of AP success at PLHS:

- 2022: **73%** (548 students) scored 3, 4 or 5
- 2023: **74%** (587 students) scored 3, 4 or 5
- 2024: **80%** (710 students) scored 3, 4 or 5
- 2025: **82%** (710 students) scored 3, 4 or 5
- **2026: 84% (949 students) scored 3, 4 or 5**

MCA Results: Progress and Priorities

2026 district results

Math

From 2025 to 2026, math proficiency increased **2.7 percentage points** districtwide and **2.9 points** in elementary schools as statewide proficiency declined slightly.

The gains follow three years of **consistent implementation** of new elementary math resources.

Science

Science proficiency held relatively steady. **Grade 5 improved markedly**, while secondary results declined.

Priority: Strengthen use of adopted, standards-aligned resources, especially in secondary classrooms.

Reading

Reading results will be released later this fall following the transition to the **MCA-IV** assessment.

Next step: Use the results with local reading data to target instruction and student support.

WHY LEVY FUNDING MATTERS

Math gains followed sustained implementation of new resources. Levy funding would help protect that progress and give staff the support needed when students are not yet meeting grade-level expectations.

International Recognition for Financial Excellence

- For the 2025-26 fiscal year, PLSAS earned **both** the **ASBO International Meritorious Budget Award (MBA)** for the second consecutive year and the **ASBO International Certificate of Excellence (COE) in Financial Reporting** 2024-25 fiscal year for the 17th consecutive year.
- This national award **recognizes clear, transparent and well-communicated budget practices and financial reporting.**
- Budget and Annual Comprehensive Financial Reporting documents are reviewed by experienced school finance professionals for accuracy, comprehensive financial planning and accessibility for the public.
- The recognition **reflects PLSAS' ongoing commitment to responsible financial stewardship and open communication with students, staff, families and taxpayers.**

Community Feedback

2026 Annual Stakeholder Survey Results

- Students: Responses ranked in the 85th percentile nationally, placing PLSAS among the top-performing school systems in the country.
- Families and Caregivers: Satisfaction remained strong at 3.96 out of 5, reflecting continued trust and confidence.
- Staff: Employees report a strong sense of purpose, clear expectations, and positive relationships with their supervisors.
- At the same time, respondents identified areas for growth, including concerns about budget pressures, class sizes, student behavior, and a desire for more consistent communication about student learning. These insights will help guide our ongoing improvement efforts.

VISION

A world-class district centered on students, driven by results

MISSION

Inspire and empower each student to reach their full potential

OUR PRIORITIES

ACADEMIC EXCELLENCE

Students receive challenging, rigorous, and relevant instruction for their unique learning needs and goals, and to develop essential skills to be successful.

OPTIMIZE RESOURCES

Prioritize efficient and effective use of fiscal, human, and capital resources through excellence in governance, administration, and staff.

POSITIVE LEARNING ENVIRONMENTS

Foster a welcoming, inclusive, and safe learning environment, where staff are valued, and students can fully engage in learning.

COMMUNITY PARTNERSHIPS

Develop a culture of engagement through shared responsibility, and collaboration among students, staff, families, and community partners.

CORE BELIEFS

Accountability: We are transparent, take responsibility for actions and decisions, answer to our community, and uphold commitments and standards of excellence.

Respect: We appreciate the value, feelings, and rights of others, fostering an environment of mutual understanding and consideration.

Unity: We support each other, cultivating a sense of belonging, and collective strength, ensuring everyone is seen, valued, and heard as we pursue our common goals together.

Stewardship: We responsibly manage resources, ensuring their sustainability, and ethical use for the benefit of current and future generations.

Financial Pressures

State Mandates

In 2023, the Minnesota Legislature allocated substantial funding for schools, however, this funding brought with it dozens of new mandates with revenue earmarked for specific purposes. While the new funding is widely appreciated, school districts still have to find ways to cover some current and historical mandates that are underfunded or even unfunded by the state.

Budget Pressures

Like many other school districts in Minnesota and across the country, PLSAS is facing serious budget challenges. Our costs are increasing faster than our revenue is growing. **This is mainly because prices are going up (inflation) and student enrollment (revenue) has slowed, mostly due to low birth rates.** Lower student enrollment = less state and local funding.

Historic Funding Shortfalls

PLSAS Inflationary Shortfall of the General Education Formula Allowance, 2003-2026

If state funding had kept pace with inflation since 2003, we would have received \$13+ million more last year alone.

Voter-Approved Operating Levy Comparisons

Operating Referendum Comparison (2026-27 Revenue Per Student)

Source: MN Department of Education June 2025 Inflation Estimates and Minnesota Laws

Seven County Metro Area School Districts

Voter Approved Authority Per Pupil Unit FY 2026-27

Currently, PLSAS ranks 43rd out of 44 metro-area school districts in voter-approved operating levy authority per pupil.

Approval of both referendum questions would move PLSAS to 29th, bringing the district closer to the middle of its metro-area peers.

How We Spend Our Money

Prior Lake-Savage Area Schools spends most of its budget in areas that **directly affect students.**

- Nearly **81%** of the budget is spent on areas related to teaching and learning, including salaries and instructional supplies
- **15%** of the budget is spent on purchased services such as transportation, gas and electricity
- **2%** goes to pay for capital expenditures such as equipment and maintenance
- **2%** is spent on central administration and principals

Source: MN Dept of Education - District/Site Level Expenditure Report

Balancing Cost Efficiency & Student Needs

**PLSAS' educational
cost per student is
about \$2,917 less
than the state
average**

Prior Lake-Savage Area Schools Amount Spent Per Student

District Administration

PLSAS = \$697

State Average = \$869

Cost Difference = \$172

Instruction & Support Services (teachers, counselors, etc...)

PLSAS = \$11,055

State Average = \$12,391

Cost Difference = \$1,336

School Administration

PLSAS = \$440

State Average = \$624

Cost Difference = \$184

Student Transportation

PLSAS = \$972

State Average = \$1,167

Cost Difference = \$195

Facilities, Operations & Maintenance

PLSAS = \$1,253

State Average = \$2,283

Cost Difference = \$1,030

TOTAL

Our Cost to Educate 1 Student, Per Year = \$14,417

State Average = \$17,334

Cost Difference = \$2,917

Our cost-per-student spending is \$2,917 below the state average. While this shows we spend tax dollars wisely, it also highlights a challenge: we lack the necessary funding to address priorities identified by many in our community, such as improving safety measures in our schools, enhancing personalized learning experiences and expanding career pathway opportunities for students.

Ongoing Budget Reductions

- The district has already made \$12.25 million in net budget reductions since 2024.
 - **2024-25:** \$4 million in reductions that included District Services Center department reductions, administrator cost reductions
 - **2025-26:** \$4.1 million in reductions that included staffing/administration reductions, MNCAPS lease eliminated, closing the Twin Oaks pool, Laker Online eliminated, K-1 iPads & staff desktops reduced, fewer gr. 6-12 elective options
 - **2026-27:** \$4.15 million in reductions that included closing WestWood as a neighborhood school, changed K-5 attendance boundaries, eliminated MNCAPS pathways, selling the District Services Center

The Proposals

Proposed Ballot Questions

Question #1 Operating Levy

Revoke the existing operating levy of **\$623.97 per student** and replace it with a new levy of **\$1,740.97 per student**

Question #2 Capital Projects Levy

Propose a new capital projects levy to raise about \$3.8 million per year

We will get into the details of each question in a bit, but first . . .

Why Is The District Proposing These Levies?

- State funding has not kept pace with increasing costs.
- Legislative mandates are underfunded.
- Enrollment has declined and is projected to continue to decline.

More About Question #1: Operating Levy

Operating Levy:

- Revoke the existing operating levy of **\$623.97 per student** and replace it with a new levy of **\$1,740.97 per student**.
- The proposed operating levy would be in place for **10 years** beginning with the 2027-2028 school year.
- The estimated tax impact on a house with a \$525,000 value will be about \$46 per month.
- The per student amount will increase each year beginning in the 2028-2029 school year at the rate of inflation, as determined by the state.

What is Revoke and Replace?

- In the ballot question, we are asking residents to **end or revoke** the existing operating levy that provides \$623.97 per student - AND
- **Replace** it with a new operating levy of \$1,740.97 per student

The tax impact works differently for renters. The referendum's property-tax impact would be assessed to the property owner, not directly to individual tenants.

More About Question #2: Capital Projects Levy

Capital Projects Levy:

- Proposes a capital projects levy to raise about \$3.8 million per year for the next 10 years beginning with the 2028-2029 school year.
- The capital projects levy **will only be implemented if Question #1 AND #2 are approved.**
- There is no tax increase in the first year of this levy.

No tax increase for Question #2?

- A decrease in the district's debt service levy will offset the tax impact of the capital projects levy.
- Tax impact on individual properties may increase in future years if a property value increases.

***Only takes
effect if both
Question 1 &
2 pass.***

Question #2: Tax Neutral

The chart below shows how the tax impact will not change when the capital projects levy is implemented.

Source: Ehlers & Associates

Date Prepared:

January 8, 2026

How will the levy funds be used?

Question #1 - Operating Levy

Funds from Question #1 will be focused on **improving learning** for all students including:

- Support day-to-day classroom learning and school operations by adding staff and support staff to lower classroom ratios
- Purchase textbooks and curriculum materials
- Provide Wi-Fi and network systems that provide access to learning materials for student, teachers and staff
- Stabilizing the budget to keep school programs
- Improving academic performance & test scores

How will the levy funds be used?

Question #2 - Capital Projects Levy

Funds from Question #2 will be focused on **school safety** and **infrastructure needs** including:

- Provide a secure student entrance at Prior Lake High School
- Install security window film at all schools
- Increase surveillance cameras and equipment in all schools
- Replace aging technology infrastructure that supports student learning
- Address ongoing facility needs of technology and building maintenance (such as keeping up with repairs for heating/cooling, equipment replacement)
- Maintain full accessible playgrounds

Quality Public Schools = Quality Communities

QUALITY
PUBLIC SCHOOLS

THRIVING
COMMUNITIES

STRONG
PROPERTY VALUES

What Happens if Question #1 Is Not Approved By Voters?

If Question #1 is not approved, additional budget reductions - beyond the already planned \$3 million in cuts for 2027-2028 due to declining enrollment - would be necessary and will likely include:

- Reduce teaching positions and increase class sizes
- Consider expansion of school walk zones and reduce bus transportation
- Reduce staff positions across the district resulting in reduced support for students
- Reduce expenses that provide programming for students, which will include:
 - Reduce secondary elective opportunities
 - Eliminate district-wide school activities
 - Reduce student access to educational technology

What Happens if Question #2 Is Not Approved By Voters?

- If Question #2 is not approved, budget reductions will be necessary to allow for needed capital purchases.
- In addition, resources will not be available to address the school safety and facility issues.

Overall Impact of Failed Levies

- The district has already made \$12.25 million in net budget reductions since 2024.
 - **2024-25:** \$4 million in reductions that included District Services Center department reductions, administrator cost reductions
 - **2025-26:** \$4.1 million in reductions that included staffing/administration reductions, MNCAPS lease eliminated, closing the Twin Oaks pool, Laker Online eliminated, K-1 iPads & staff desktops reduced, fewer gr. 6-12 elective options
 - **2026-27:** \$4.15 million in reductions that included closing WestWood as a neighborhood school, changed K-5 attendance boundaries, eliminated MNCAPS pathways, selling the District Services Center
- If one or both levy questions are **not** approved, the district will face greater financial pressure and will need to make additional reductions to align spending with available funding and the number of students we serve.
- These additional reductions would have a greater impact on students, staff and families and could further affect the programs, services and resources available to students.

Tax Calculator

Find out exactly what this referendum means for your household by entering your home's value into the tax calculator at plsas.org/referendum—or simply scan the QR code to access it instantly on your phone.

The tax impact works differently for renters. The referendum's property-tax impact would be assessed to the property owner, not directly to individual tenants.

We can't predict how it would affect an individual's rent. Rental rates are determined by the property owner and can be influenced by many factors, so the district cannot calculate a specific monthly impact for residents renting in the PLSAS community.

Also on Your Ballot: State Constitutional Amendment

Minnesota Constitutional Amendment: Permanent School Fund

This is separate from the two PLSAS referendum questions.

STATEWIDE QUESTION

All Minnesota voters will be asked to vote on this constitutional amendment.

WHAT IT WOULD DO:

Increase funding distributed from Minnesota's existing Permanent School Fund to school districts, **without raising individual income or property taxes.**

IMPORTANT VOTING INFORMATION

Leaving this question blank has the same effect as voting "No."

Revoking Existing Referendum Revenue Authorization; Approving New Authorization
The school board of Independent School District No. 719 (Prior Lake-Savage Area Schools) has proposed to revoke the school district's existing referendum revenue authorization of \$623.97 per pupil and to replace that authorization with a new authorization of \$1,740.97 per pupil. The proposed referendum revenue authorization would be applicable for ten years commencing with taxes payable in 2027, and increase each year by the rate of inflation beginning with taxes payable in 2028, unless otherwise revoked or reduced as provided by law.
Shall the school district's existing referendum revenue authorization be revoked, and the increase in the revenue proposed by the school board of Independent School District No. 719 be approved?
☐ Yes
☐ No

PLSAS Question 1

PLSAS Question 2

School District Questions
School District Question 2
Approval of Capital Project Levy Authorization
The school board of Independent School District No. 719 (Prior Lake-Savage Area Schools) has also proposed a capital project levy authorization of 3.42% times the net tax capacity of the school district. The additional revenue from the proposed authorization will be used to provide funds for the acquisition and betterment of school sites and facilities; safety and security improvements; deferred maintenance and utility service costs; the acquisition and maintenance of software, technology, and technology systems; and to pay the costs of technology-related personnel and training; the purchase and replacement of school-related transportation vehicles; the acquisition of curriculum, textbooks, and materials; and other operating capital revenue purposes. The proposed capital project levy authorization will raise approximately \$3,900,000 for taxes payable in 2028, the first year it is to be levied, and would be authorized for ten years. The estimated total cost of the projects to be funded over that time period is approximately \$38,000,000. The projects to be funded have received a positive Review and Comment from the Commissioner of Education.
If School District Question 1 is approved, shall the capital project levy authorization proposed by the school board of Independent School District No. 719 also be approved?
☐ Yes
☐ No

BY VOTING "YES" ON THIS BALLOT QUESTION, YOU ARE VOTING FOR A PROPERTY TAX INCREASE.
