SING WITH AN OPERA COMPANY!

OPERA SAN LUIS OBISPO CHILDREN'S CHORUS

Opera San Luis Obispo's Children's Chorus provides ongoing classical vocal and performance training for young singers, with opportunities to perform alongside professional artists, conductors, accompanists and full orchestra. **There is NO COST to join, and singers of ALL SKILL LEVELS are welcome.** Choristers train weekly throughout the school year and may be selected for choral, solo and non-singing roles in OperaSLO productions and concerts. Participation in a production requires a commitment to rehearsals and performances.

CLASSICAL VOCAL TRAINING

Young singers develop healthy classical technique, musicianship, ensemble skills and **learn to sing with a professional orchestra.**

MENTOR WITH PROFESSIONAL ARTISTS

Receive mentorship from **professional vocal instructors, conductors, accompanists, choreographers, actors, and opera artists** while learning how a professional production is prepared and performed.

FROM CHILDREN'S CHORUS TO LEADING ROLES

Many of our past Children's Chorus members have gone on to perform leading and featured roles in Opera San Luis Obispo productions and beyond.
