

GREYBOTS ROBOTICS TEAM

WHO WE ARE

Team 973 The Greybots is San Luis Obispo county's High School Robotics Team. We design, build, program, and drive 150-lb competition robots from scratch.

Right now, we're open for new members!

ROBOTICS, ENGINEERING, CODING, LEADERSHIP.

STUDENTS WILL LEARN:

ROBOTICS & ENGINEERING
Design, build, and program real robots.

CODING
Turn ideas into working solutions.

CIRCUITS & ELECTRONICS
Work with sensors, wiring, and control systems.

TEAMWORK
Work together to build something great. Make new friends.

LEADERSHIP
Build confidence, take initiative, and help guide our team.

JOIN OUR TEAM!

No experience required!
