Words from the Director of Programs Ronda Carter

Happy October, WAY Academy of Flint Families!

The 2026–2027 school year is off to a great start, and I am so proud of our students and staff! One accomplishment we are especially proud of is our 98% Fall NWEA testing participation rate! Thank you to our students, families, and staff for making testing a priority.

October Count Is Here!

October is an important month for WAY Academy of Flint because it is Count Month. Our official count period begins Wednesday, October 7, and continues throughout the month. Every student must be counted! Please make sure your student attends school regularly and participates as expected. Every day of attendance matters!

Thank you for your continued partnership and support. Let's keep this school year moving in the right direction!

Have a wonderful October!

Miss Ronda Carter
Director of Programs

Tutoring

**Your student can schedule
tutoring times with staff to catch
up on missing work or receive
help on assignments.**

**They simply need to talk with the
staff person they would like to
work with and schedule a day.**
