What is a Title I school?

- Title I was passed in 1965 under the Elementary and Secondary Education Act (ESEA). It is the largest federal assistance program for our nation's schools.
- Title I schools receive extra funding (Title I dollars) from the federal government. These dollars are used to:
  - identify students experiencing academic difficulties and provide assistance to help these students;
  - purchase additional staff, programs, materials, and/or supplies; and
  - conduct parent and family engagement meetings, trainings, events, and/or activities.

What can Title I funds be used for?

- In general, Title I funds may be used for:
  - additional paraprofessionals,
  - additional training for school staff,
  - extra time for instruction (before and/or after school programs),
  - parent and family engagement activities, and/or
  - a variety of supplemental teaching materials, equipment, and technology.

How does our school use Title I funds?

- In 2026-27, our school was allotted approximately $68,027.92 in Title I funding.
- We developed a **Schoolwide Program**, which means we plan to spend our funds on the following:

What is the SIP?

- The SIP is the School Improvement Plan. It includes:
  - the identification of the school planning team and how they will be engaged in the planning process;
  - a needs assessment and summary of academic and non-academic data;
  - prioritized goals, strategies, and action steps to help address the academic and non-academic needs of students;
  - teacher and staff professional development needs; and
  - budgets and the coordination of resources.
- The school must include family representatives on our school planning team.

What are our schoolwide program goals?

- By May 2029, Bruce Elementary School will increase the percentage of students who score proficient in 3-5 Math for all students from 18.7% (2026) to 53.5% (2029), and from 18.5 % (2026) to 36% (2029) for our TSI identified subgroup BHN.

- By May 2029, Grades 3-5 ELA proficiency will increase from 28.4% to 42.4% with annual targets established for All Students, SWD, and EL students.

What is our school's designation status?

- In accordance with Tennessee's accountability system, the Tennessee Department of Education (TDOE) determines designations for all public schools. Designations include:
  - **Reward Schools:** Recognizes schools with high levels of performance or student growth, including the top 5% of schools.
  - **CSI (Comprehensive Support and Improvement):** Also known as Priority schools, these are identified for being in the bottom 5% of overall performance or having a graduation rate below 67%.
  - **TSI/ATSI (Targeted/Additional Targeted Support and Improvement):** Also known as Focus schools, these are identified when specific student groups underperform.

What is the State Report Card?

- TDOE releases an annual Report Card on Tennessee schools.
- This report displays state-, district-, and school-level data for each school year.
- It includes information on demographics, achievement, academic growth, attendance, graduation rate and more.
- You can view the data statewide, or you can choose a specific district or school.
- You can view the report card here:

What is parent and family engagement?

- Family engagement is a **shared responsibility** in which schools and other community agencies and organizations are committed to reaching out to engage families in meaningful ways and in which families are committed to actively supporting their children's learning and development.
- Family engagement is **continuous** across a child's life and entails enduring commitment but changing family roles as children mature into young adulthood.
- Effective family engagement cuts across and reinforces learning in the **multiple settings** where children learn – at home, in pre-kindergarten programs, in school, in after-school programs, in faith-based institutions, and in the community.

What is parent and family engagement?

- "Through effective communication with parents, teachers can have the greatest impact on their day-to-day success with students. With parents on their side, teachers can more effectively manage most academic and behavioral issues that arise. When the most important adults in a child's life are working together, students benefit enormously."
