Eighth Graders and Families invited to learn about career pathways during CTE Block Party

The Brewer High School Career and Technical Education (CTE) Department invites Brewer Middle School eighth graders and their families to learn about the various career pathways offered at BHS during its CTE Block Party Monday, Oct. 26 from 6 to 7:30 p.m. in the Brewer High School cafeteria.

The event will include free pizza, and participants will learn more about CTE programs such as plumbing, welding, cosmetology, culinary arts, engineering, agriculture and more through interactive displays and demonstrations!

The event will begin with a mandatory Parent Meeting at 6 p.m. in the auditorium.

The BHS CTE Department offers 12 different pathways and 24 Programs of Study. CTE students take a sequence of courses that may begin in middle school and continue in high school, preparing them for entry-level work in a career path.

Every Program of Study provides students with the opportunity to earn Industry-Based Certifications or college credit.
