Spelling Test Rule: Each week your child has an oral sentence and a rule application as part of their spelling test. The rule application is written in their planners each week. Please help them practice the rule as part of their spelling homework. For example, Rule 6 (holy): To spell holy, use a y instead of an i because it is at the end of the word. The oral sentence contains several words from previous lists.

Love of Learning

You love learning new things both in class and at home. Titan's take ownership of their learning. Ask your student to tell you something they are learning about this week.
