

Lightspeed Systems

Parent Portal

The **Lightspeed Parent Portal** lets parents monitor and manage their child's web activity on school devices outside school hours. This filtering software is used to enhance your child's Chromebook learning experience and online safety. This applies only to CFISD-provided Chromebooks.

Create Your Account

1. **Check your email:** Parents who were listed as Guardian 1 or Guardian 2 during registration will receive a Welcome email to Create Account.
2. **Create Account:** Click the Log In link in your email and choose Create Account.
3. **Log in:** Once the account is set up you can login to monitor your child's web activity.

Parent Portal Control Available Features

Parent Portal rules and custom filtering are only active during non-school hours when your child's device is connected to a non-CFISD network.

Parent Portal controls do not override district online safety policies.

Navigation Bar

Web Activity

- Detailed student internet activity on sites visited while off district network, including a time stamp.

Web Rules

- Filter available content
- Pause internet access

Schedules

- Set custom routines for internet downtime.
