

WOODRUFF ELEMENTARY

Growing Minds. Building Futures. Together.

At Woodruff Elementary, we are committed to academic achievement, personal growth, and strong community partnerships.

TOGETHER, WE ACHIEVE MORE

Students • Families • Teachers • Community

Woodruff Elementary participates in the federally funded Title I program, an initiative of the Elementary and Secondary Education Act (ESEA) to improve teaching and student achievement. Title I funds provide programs that would not otherwise be available to our students.

SCHOOL-PARENT COMPACTS

As part of this plan, Woodruff Elementary School and our families will develop a school-parent compact, which is an agreement that explains how parents and teachers will work together to make sure all our students reach grade-level standards.

The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers. The school-parent compacts are shared with parents during parent-teacher conferences and kept with each child's teacher if parents need another copy.

we can do so much.”*
