

Family School Compact School Year 2026-2027

Cleveland Metropolitan School District, scholars participating in the Title I, Part A program, and their families, agree that this compact outline how the family, the entire school staff and the scholar will share the responsibility for improved scholar academic achievement as well as describe how the school and families will build and develop a partnership that will help scholars achieve the state's high standards.

School Goals

Sunbeam School will strengthen the partnership between families, scholars, and staff by providing meaningful family engagement opportunities, consistent communication, and access to academic resources that support scholar achievement. Through School Parent Organization (SPO) meetings, 8th Grade Family Meetings, Chat and Chew sessions, Open House events, Parent-Teacher Conferences, and the use of the Electronic Gradebook, Sunbeam will empower families to actively participate in their scholar's education and support progress toward meeting Ohio's academic standards.
