- Carry-in radios, cassette and tape decks, etc., are not permitted in the gymnasium
- No solicitors shall be permitted, including donations, contributions, and aggressive vending of school spirit items.

The CT Boys Soccer team finished the season with an 8-7-1 record and an overall win percentage of .531, marking a clear improvement from last year. While we made notable progress, I believe this team is capable of achieving even greater success. We have substantial talent on our roster, and I am looking forward to our off-season developmental training. This will be an excellent opportunity to build trust and dedicate ourselves to the work required to compete at a higher level. Additionally, our Trojans demonstrated outstanding sportsmanship and maintained their integrity despite the high stake and pressure during last night's game.
