

# West Bloomfield SCHOOL DISTRICT

West Bloomfield School District serves approximately 4,250 students from Keego Harbor, Orchard Lake Village, Sylvan Lake, and West Bloomfield Township. All of the district's schools have been named National Exemplary Schools and have received state and national awards including an A+ grade from Niche. Six of our schools are Capturing Kids Hearts National Showcase Schools. We offer 28 AP courses, 40 sports programs, and 50 student clubs in addition to our well-rounded academic program. Our families speak 47 languages and we celebrate our cultural diversity. Welcome to WBSD!
