

#7 Chloe Pembroke

A four-year starter and senior captain, Chloe started her field hockey career scoring huge goals in the big games, and she hasn't stopped, racking up 47 goals and 47 assists (and counting). Chloe flies up the right sideline and whips the ball into the circle; seconds later, she is spinning around the goalie and using her long reach and quick stick to finish. Off the field, Chloe is a wise and quietly confident leader.

#88 Sierra Audet

Sierra has had a breakout year as a rookie goalie in her first varsity season. She has shared 4 shut-outs and recorded 12 saves. She is also a speedy front line player who was a key scorer in her JV seasons. Most importantly, Sierra is sunshine: she gives so much support and energy to teammates and lifts us all up.

#5 Avery Burke

Avery is a trustworthy, steady midfielder with a beautifully smooth steal, and she passes the ball up the line with composure. She played outstanding defense in our two big shutouts of the season against Hartford and Bellows Falls. Every day since she joined us her junior year, Avery's warmth makes us a happier and more playful team.

#4 Lyric Luce

A three-year starter and two-year captain who plays left inner, Lyric has been the heart of our program in her varsity career. A generous player in the circle, she has scored 12 goals, with 19 assists. Most importantly, she pumps energy into our team with electric give-and-go passing and defensive doubling with her frontline teammates. As an emotional leader, Lyric is fire.

#1 Amelia Friot

Amelia is a dedicated field hockey player who has shown strong, quiet leadership in her three-year varsity career. As a back, Amelia has stepped up to intercept dangerous breakaway plays in countless key games. She has led us to off-season experiences and ideas to build up our team and culture, and her commitment to play field hockey at Colby Sawyer is exciting and well-deserved.

#11 Ava Deblois

Ava loves field hockey, and our team loves her. She plays incredibly low with strong left-sided stick skills on defense, and she's notched two goals and an assist this season. Ava earned an award for "unsung hero" because she shows up, works hard, never complains, and always has a smile on her face.

#3 Cartaya Dodge

A two-year starter, Taya is a defender who is hard to take off the field. She plays a tough position on the left side and gets her body very low, playing smart and composed. Taya's sense of humor is quirky, grounded, and hilarious, and she is an underrated magical ingredient in our team's secret sauce.

#21 Hannah Drury

Hannah is a four-year starter whose stick skills, power, and field vision have driven our team's success. As a midfielder, she has scored 52 goals and 25 assists (and counting), and her signature aerial passes and bullseye shooting are dazzling to watch. Hannah is funny and frank and makes younger, newer teammates feel like they belong.
