PROJECT SEARCH NEWSLETTER

LVH—Schuylkill October 2026

- Project SEARCH, a unique, business-led, one year employment preparation program, is in its 4th year at LVH—Schuylkill. We are thrilled to welcome interns from the following school districts - Pottsville Area and Schuylkill Haven Area.
- Interns completed orientation activities including team building, becoming familiar with the hospital, taking community trips, and learning safe lifting techniques.
- More information can be found on the Schuylkill Intermediate Unit 29 website under Programs.
- Applications for 2027-2028 will be available on November 1st.

Learning marketable, transferable skills

Dietary Department
