Dear Families,

My name is Noelle Palumbo, and I am excited to introduce myself as the ENL Specialist supporting our Dual Language program this year!

I feel incredibly grateful to have been part of the Brewster Central School District for the past 13 years and to have had the opportunity to witness the growth of our Dual Language program firsthand. It has been especially meaningful to see Brewster develop such an incredible Two-Way Dual Language program that gives students the opportunity to grow as bilingual and biliterate learners. With a Master's degree in TESOL and a deep passion for linguistics and language acquisition, I am excited to continue supporting our students, teachers, and families as this program continues to grow.

Bilingualism is a wonderful strength. Learning in two languages supports communication, cognitive flexibility, academic growth, and an appreciation for different cultures and perspectives. Our Dual Language program gives students the opportunity to develop these skills while building biliteracy and maintaining the value of their home language.

I look forward to working with our students, teachers, and families and supporting your children as they grow as confident bilingual learners.

To learn more about our program, please visit the Multilingual Department webpage for additional information and resources.

Warmly,

Noelle Palumbo
