School Bus Stops

Designated School Bus Stop

Designated School Bus stops must meet strenuous criteria as set by the State. Millsap ISD Transportation Department ensures that all our designated school bus stops meet these criteria.

Millsap ISD school buses will not enter:

- Dead-end streets
- Cul-de-Sacs, *unless safe, and deemed necessary for turn-around of the bus route*
- Into/onto personal property or private roads
- Addresses out of TEA School District Boundaries

Authorized School Bus Stop

Students may only ride the school bus to and from their authorized bus stop. Authorized bus stops are established within a reasonable walking distance of the *home* of every student eligible for transportation services. Millsap ISD Transportation has set the walking distance for elementary student bus stops up to .25 (1/4) mile from home, and for secondary students up to .50 (1/2) mile from home. Any stop that goes 5 or more days without a rider may be subject to removal. A request for reinstatement of a stop must be submitted in writing and may take up to 3 days to be added to a route.

Procedures for Loading and Unloading the Bus

General

1. Students must arrive at the bus stop at least 10 minutes prior to the scheduled pick-up time. This ensures the student will not be missed due to the bus arriving a little earlier than the designated pick up time.
2. Students must be in clear sight for the approaching bus driver to see. Driver will not stop, wait, or honk for students who are not clearly visible.
3. Students should stand on the sidewalk or back from the roadway about 10 feet. In darkened areas it is a good practice to use reflective markers or flashlights so the driver can see the student.
4. If a student misses the bus he/she should go home immediately. It is the parent's / guardian's responsibility to transport the student to school. Parents / guardians should have a backup plan in place if the student misses the bus.
5. Students must be able to get on and off the bus without assistance. Students temporarily using crutches, wheelchairs or walkers or in need of special assistance may be assigned to a special needs bus

while such devices are being used. Parents/guardians must make arrangements with the Millsap ISD Transportation office PRIOR to the day of transport.

Loading

1. As the bus approaches, form a line and be prepared to load. Stand clear of the bus, at least 10 feet, until it comes to a complete stop and the driver signals you to board. NEVER walk or run toward the bus as it is still approaching.
2. Use steps and handrails properly. Do not jump over steps.
3. Go directly to your assigned seat. Students are typically assigned seats by grade level. However, at their discretion, the bus driver may assign other seating arrangements.

Unloading

1. Stay seated until the bus comes to a complete stop. Gather all personal items, and walk to the front of the bus. Walk only on the floor.
2. Use the handrails, and take one step at a time. Do not jump from steps.
3. Wait your turn – no pushing or shoving. Students must use the “zipper” method for unloading. That is, they must wait for the students in the seat(s) in front of them to get up and leave their seat before they get up and walk down the aisle.
4. Allow “crossers” to exit the bus first. Students who must cross the street in front of the bus are “crossers”. When it is your turn, exit the bus and walk directly away from the bus, at least 10 feet away, in the straightest path to your home. NEVER return to the bus without gaining the attention of the bus driver first, and only return to the passenger door.

Crossing the Street or Highway

1. Millsap ISD always tries to accommodate students being picked up on the right side of the roadway. However, if it is necessary to cross the street, students shall exit the bus and walk 15 feet in front of the right bumper of the bus on the sidewalk, if available, and wait for the driver to signal the student it is safe to cross.
2. Check both ways before crossing and always go directly straight across the street.
3. NEVER CROSS BEHIND THE BUS. It is against the law. See diagram 1.

Danger Zones

The DANGER ZONE is the area immediately surrounding the school bus, extending a minimum of 10 feet on all sides. The area of greatest danger is immediately in front of the front bumper and right wheel. Teach your student(s) “If you can touch the bus, you are TOO CLOSE”, and “If you can’t see the driver as you cross the street in front of the bus, you are TOO CLOSE!” See diagram 2.

Safety tips for parents and students:

1. Never stop to pick up anything that falls in front of the bus bumper, is swept under the bus, or that is in front of the wheels.
2. Students should always watch for moving vehicles when exiting a stopped school bus, and/or crossing the street. Vehicles do not always stop for a school bus with red lights flashing, even though it is the law to do so.
3. Have children put everything they carry in a backpack or school bag so they won't drop things along the way.
4. Secure any loose drawstrings on clothing or bags so they won't catch on the handrails or bus door.
5. Have them wear bright, contrasting colors so the drivers can see them more easily during early hours.
6. Make sure they leave home on time so they can be at the bus stop a minimum of 10 minutes before the bus arrives. Running to the bus stop after it arrives is dangerous.
7. NEVER run to catch the bus.

Student Discipline

The school bus is an extension of the classroom, and most school rules apply while riding the school bus. All laws, TEA regulations, and school board policies that apply to student conduct during other student activities apply to the school bus.

Drivers will effectively maintain proper control of the bus environment. Proper environment is critical to safe operation of the school bus. Many methods are used to observe, monitor, and ensure the proper environment on the school bus. Our buses are equipped with interior bus video systems and a bus monitor may be assigned to a bus if deemed necessary.

Bus Conduct Reports

In most circumstances students are given several chances to correct their behavior before receiving a Bus Conduct Report. Drivers utilize several options:

1. Verbal correction
2. Written Bus Conduct Report and a call from the Campus Administrator
3. **Suspension of Bus Riding Privileges:** If a student continues to violate the safe rider's code of conduct they may have their bus riding privileges suspended up to the entire semester. If suspension is administered, a campus administrator will notify the parent of the suspension date via a phone call. **This is NOT a suspension from school. Students must still attend classes.** Suspensions for minor offenses will start at 3 Days and Proceed to 5, 7, 10, 15, 20, 25 and indefinite suspensions, in order, for the next offense encountered.
4. **Zero Tolerance:** Students violating Zero Tolerance on a school bus will receive a written referral, and a phone call will be made to inform Parents/Guardians the student is immediately suspended from school bus riding privileges. **Students may be suspended from school bus riding privileges for the remainder of the school year. Zero Tolerance Offenses-Student conduct that seriously jeopardizes the safety of the other students and/or the driver or engages in any illegal activity in which a suspension will be immediately placed into effect. These offenses include but are not limited to:**
 - Fighting
 - Stealing/Theft
 - Sexual Harassment and or contact
 - Throwing Objects within or out of the bus
 - Bullying
 - Racial Remarks
 - Bodily Fluids
 - Smoking/E-Cigs
 - Weapons (lethal and non-lethal)

- Drugs/non-prescription and prescription if being distributed or consumed illegally
- Cursing Excessively
- Alcohol (possession and consumption)
- Threatening bodily injury/Assault
- Property Damage (Bus or Rider's Property)

Zero Tolerance Suspensions can start at 5 days and progress or be indefinite depending on the severity or discretion of the Campus Administrator.

Accidents or Emergencies

1. Students must remain calm and follow the driver's instructions at all times.
2. Remain in your seat until receiving further instructions. Seating charts are required by the police for their investigation.
3. If an evacuation is necessary, students must stay in a group, remain calm and quiet, and walk to a safe location away from the danger zone.
4. The following procedures from the Texas Education Agency will be used for evacuation of the school bus in an emergency situation:
 - a. Two students assigned by the driver will open and hold the evacuation door, and assist other students off the bus as necessary.
 - b. Students will leave the bus in a single file as quickly and quietly as possible.
 - c. Evacuations will start with the seat closest to the exit being utilized for evacuation.
 - d. Walk to a safe place at least 100 feet (approximately 40 paces) off the road, in the direction of oncoming traffic. This keeps students from being hit by debris if another vehicle collides with the bus.
5. NO student will be released from the bus until authorized by emergency responders or a school district official. Parents must show proper ID to emergency response teams to take a student from the scene of an accident.

Bad Weather Days / School Bus Schedules

If school is delayed buses will run according to the delayed time. If school is on a two-hour delay, expect your students' bus to arrive at the authorized bus stop two hours later than normal. Example: if your student typically catches the bus at 7:05 a.m., you can expect the bus to be at your stop at 9:05 a.m.

Restricted Areas

Millsap ISD buses will not enter dead-end streets, Cul-de-Sacs, nor personal property, except when used for route turn-around, which requires special approval by the Millsap ISD Transportation Director.

Video Surveillance

All Millsap ISD school buses are equipped with audio/video observation systems.

Professional School Bus Drivers

Millsap ISD School Bus Drivers are professionals and are expected to conduct themselves as professionals at all times. As professionals they will expect the same courtesy, respect and consideration from all students and parents in return.

All School Bus Drivers are certified through the Texas Department of Public Safety with at least a Class B CDL, with P (passenger) and S (school bus) endorsements. All school bus drivers are required to take annual DOT physicals and are subject to random drug and alcohol testing at any time. All drivers have successfully completed a 20-hour school bus driver training course approved by the State of Texas and administered through the TEA. Millsap ISD school bus drivers are also required to attend periodic safety meetings where they receive on-going education of numerous safety related topics, laws, policies and procedures.

Disruption of Transportation Services

A person commits a class C misdemeanor if he/she intentionally disrupts, prevents or interferes with the lawful transportation of students in a school district owned vehicle.
