The KES PTO UnFundraiser

2026-2027

Stronger Together for KES!

No selling. No collecting. No asking Grandma to buy another thing.

What if your PTO fundraiser required zero catalogs, zero wrapping paper, zero cookie dough, and zero selling?

That's the idea behind our UnFundraiser!

Instead of participating in fundraiser after fundraiser throughout the school year, families can choose to make a direct donation to the KES PTO early in the year.

Your donation goes straight toward supporting our students, teachers, programs, events, and all the extras that make KES special — without the PTO having to give a percentage of the money to a fundraising company.

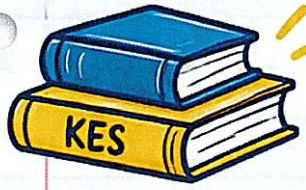

Contributing to the UnFundraiser doesn't mean you can't participate in other fundraisers. It simply gives families an easy way to support the PTO up front and feel a little less pressure to participate in every fundraiser that comes along.

Pick your level of "Please Don't Make Me Fundraise"

$25	**Please spare me the catalog.**	Consider this my contribution toward a great year.
$50	**I would rather just donate.**	I'm donating now and giving myself permission to participate a little less later.
$100	**Consider me UnFundraised!**	No selling, no collecting orders, no chasing down payments. Here you go, PTO!
$150	**Take my money and let me live.**	I'm supporting KES up front so I can happily cheer on the other fundraisers from the sidelines.
$____	**Choose Your Own Adventure!**	I love our school. I love our kids. I do not love selling things. Everybody wins.

The best part?

There's nothing to buy and nothing to deliver. Your donation goes directly to the KES PTO to help fund the things our kids enjoy throughout the year.

Give early. Fundraise less. Support KES all year long.

Please No Cash

The not-so-fun fine print: Even if you contribute to the "UnFundraiser," you will continue to receive fundraising information throughout the year. Participation in additional fundraisers is always your choice.
