

# BACK TO SCHOOL

## MRS. CROOK'S KINDERGARTEN CLASS NEWSLETTER

### WELCOME TO KINDERGARTEN

Welcome back, kindergarten families! I am so excited to begin a wonderful year together! Our classroom will be filled with hands-on learning, creativity, music, movement, laughter, and lots of joy. 💕

Kindergarten is a special time when children learn best by doing, exploring, creating, and having fun! We will spend lots of time working with hands-on activities that help children build confidence, curiosity, and a love of learning. 😊

#### 🎵 Music & Movement 🎵

Get ready to sing, dance, move, and make some joyful noise! Music will be an important part of our classroom as we use songs, movement, and rhythm to make learning fun and memorable. 🎶

#### ★ Our Stamp & Reward System ★

We will also be celebrating students for doing their jobs, making good choices, showing kindness, and being responsible!

Students can earn stamps throughout the month for their hard work and positive choices. At the end of each month, students will get to use their stamps to choose a special reward!

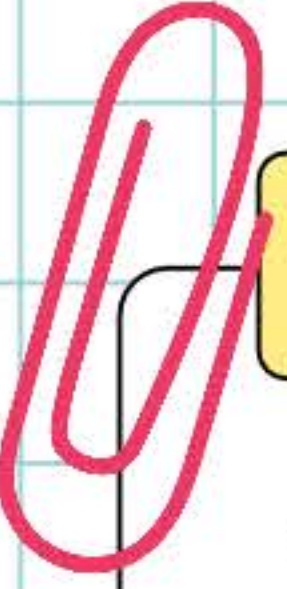

I can't wait to watch our little learners grow, learn, laugh, and shine this year!

Love, Mrs. Crook

### COMMUNICATION

I use ClassDojo to send out pictures and messages every week to let you know what our class is up to. Please scan the QR code on the back of this newsletter and join if you haven't already done so. Thank you!!
