

MS. RODRIGUEZ'S SEPTEMBER newsletter

THIS MONTH

This month, we are busy learning and growing! In Math, we are practicing addition and subtraction strategies. In Phonics and Reading, we are reviewing letter sounds, short vowels, story elements, vocabulary, and key details. In Writing, we are beginning personal narratives. In Science, we are learning about apples and how they grow. We are also practicing empathy, teamwork, and friendship. In PE, we are working on movement skills, safety, and cooperation. We are also working hard on classroom routines, following directions, and becoming responsible learners!

TIP OF THE MONTH

Practice Routines at Home!

Help your child build independence by practicing simple daily routines at home. Encourage them to listen carefully, follow directions, and complete tasks on their own. Consistent routines at home and school help children feel confident and successful!
