

Jogathon is on Friday 10/16!

10/8/26 Principal's Message

Hello Mustangs,

San Juan Unified College Week, 10/12-10/16, is a wonderful opportunity to celebrate learning, big dreams, and the many possibilities available to our students in the future! While college and career planning may seem far away for our elementary students, the habits, curiosity, confidence, and love of learning they develop today are the foundation for their future success.

Ways to celebrate:

Explore a College Campus

Our Sacramento region is home to many wonderful colleges and universities. Consider taking a family drive or visiting a campus such as American River College, Sacramento City College, Sierra College, Sacramento State, or UC Davis. You don't need to wait until high school to begin helping children see themselves as future college students!

Experience College Life

Attend a college sporting event, theater performance, cultural event, or other activity. These experiences can help children see that college campuses are places where people learn, explore interests, build relationships, and pursue their passions.

Take Advantage of Your Public Library

San Juan Unified students are eligible for a **free Student Success Card through Sacramento Public Library**, providing access to eBooks, audiobooks, online tutoring, homework help, and other learning resources. This is a great way to encourage independent learning and exploration at home.

Most importantly, keep the conversation positive and open-ended. College and career readiness isn't about having everything figured out at a young age. It's about helping children develop curiosity, confidence, perseverance, and a belief that their future is full of possibilities.

We will celebrate college week on campus on Monday, 10/12, by wearing our favorite college gear/colors.

With love,
Leah

Mariemont Updates

Join Our Mariemont Elementary Team! Paraeducators needed for TK

- Mariemont Elementary is looking for caring, collaborative, and student-centered **Paraeducators** to join our school community! This is an opportunity to make a meaningful difference in the lives of students by building positive relationships, creating a welcoming and inclusive environment, and helping every child feel valued, capable, and supported.

Our ideal paraeducator understands the importance of following the classroom teacher's direction while also taking initiative to recognize when students need support. You will help students engage in learning, play, developing independence, and experience success in a safe and supportive setting.

Play an important role in helping students navigate social, emotional, and behavioral challenges. We are seeking someone who can remain calm and respectful when situations become difficult, use positive and supportive approaches, and see challenging behavior as an opportunity to understand and support a student's needs.

Strong communication and collaboration are essential. You will work closely with teachers and other school staff, share observations and concerns appropriately, maintain student confidentiality, and contribute to a positive professional culture. Most importantly, we want someone who believes that every student belongs, every student can learn, and every student deserves to be treated with dignity and high expectations.

If you are someone who enjoys working with children, values relationships, thrives as part of a team, and wants to be part of a school community where students are encouraged to grow and discover their strengths, we would love to have you consider joining the Mariemont Elementary team!

Apply now to be a TK paraeducator!

We're adding prizes to the top earning grade level and class with 100% participation

Let's meet our goal to earn \$40,000 for this year's Jogathon. For the grade level that earns the most, students will win a recess party with special games, activities, equipment, and a dance party. Also, each class that has a %100 participation will earn a special PJ spirit day. Each student only needs to donate \$5.00 to participate and help the class earn a PJ day!

Parent To Do

Sign up to volunteer @ Mariemont Fall Festival on 10/17

The fall festival is coming up on October 17th at Arden park. But we can't do it without you! In order for us to hold this event, we NEED volunteers. The fall festival will not happen if we don't have enough help.

Because of this we are asking for a minimum of 4 volunteers from every class this year. The sign up is split into different shifts that are available both on the day of (Saturday, October 17th) as well as a space to sign up to donate dessert for the cakewalk. Some of the areas that will need volunteer assistance are the photo booth, face painting, the kids' zone, and the dessert walk.

Please include the name of your child's teacher when you sign up. If there are any questions, please text the Fall Festival Chair Morgan Gomez at 209-631-2698.

The Book Fair is Coming 10/12 - 10/16!

Get ready to saddle up for a week of reading fun with Mustang Sally and Scholastic! The Book Fair is galloping into town, and we need your help to make it a page-turning success.

Whether you can work a shift, two, or even three, your time makes a huge difference. It's a great way to support our school, connect with other families, and help kids discover books they'll love.

[Sign up to volunteer here](#). If you'd like to volunteer when your child will be attending the book fair, the schedule is below. If the time slot during your child's class visit time is full, you are still welcome

to come in and help out — we will never turn anyone away! **Also, we REALLY NEED VOLUNTEERS for setup on 10/8 & 10/9. Please considering helping if you're available!**

San Juan Unified News

Every day counts and every minute matters

Regular school attendance is connected to higher academic achievement, stronger bonds to the school and community, lower rates of delinquent and high-risk behavior, and increased participation in higher education.

When families support daily attendance, students do better in school and beyond.

Help your student by:

- Arriving at school on time
- Planning vacations during non-school days and summer break
- Scheduling doctor appointments after school hours
- Bringing the student to school before or after appointments scheduled during school hours
- Only allowing a student to stay home when too sick or has a contagious illness

- Calling the school when your student is absent

Cada día cuenta y cada minuto importa

Asistir a la escuela regularmente se relaciona con un mejor rendimiento académico, vínculos más fuertes con la escuela y la comunidad, bajos índices de delincuencia y conductas de alto riesgo, y una mayor participación en la educación superior.

Cuando las familias apoyan la asistencia diaria, los estudiantes obtienen mejores resultados en la escuela y fuera de ella.

Cómo puede ayudar a su estudiante:

- Llegando a la escuela a tiempo.
- Planeando las vacaciones durante los días sin clases y las vacaciones de verano.
- Programando las citas con el médico después de la escuela.
- Llevando al estudiante a la escuela antes o después de las citas programadas durante la escuela.
- Permitiendo que el estudiante se quede en casa solo cuando esté muy enfermo o tenga una enfermedad contagiosa.
- Llamando a la escuela cuando su estudiante falte a clase.

معلومات مفید: حاضری

هر روز مهم است و هر دقیقه ارزش دارد

حاضری منظم در مکتب با پیشرفت بهتر تعلیمی، ایجاد روابط قوی تر با مکتب و جامعه، کاهش رفتارهای پرخطر و خلاف قانون، و افزایش اشتراک در تحصیلات عالی ارتباط مستقیم دارد.

وقتی خانواده ها از حاضری روزانه دانش آموزان حمایت می کنند، شاگردان در مکتب و در آینده موفق تر می شوند.

با انجام موارد زیر به شاگرد خود کمک کنید:

- به موقع به مکتب برسد.
- رخصتی ها را در روزهای غیر مکتب و رخصتی تابستانی برنامه ریزی کنید.
- وقت ملاقات با داکتر را بعد از ساعات درسی مکتب تنظیم کنید.
- اگر وقت ملاقات در ساعات درسی مکتب تعیین شده باشد، شاگرد را قبل یا بعد از ملاقات به مکتب بیاورید.
- تنها زمانی اجازه دهید شاگرد در خانه بماند که بسیار مریض باشد یا بیماری ساری داشته باشد.
- زمانی که شاگرد شما غیرحاضر است، با مکتب تماس بگیرید.
