Crosby Independent School District
Celebrates
HISPANIC HERITAGE
Month
15 Septembe-15 October

Celebrating Hispanic Heritage Month

Hispanic Heritage Month is a time for Crosby ISD to celebrate the rich cultures, traditions, stories, and contributions of our Hispanic community. It is an opportunity to honor the past, celebrate the heritage that shapes who we are, and recognize the many ways our students, staff, families, and community make Crosby ISD stronger every day.

Throughout this month, we celebrate the diverse voices and experiences that enrich our schools and community. We are proud to recognize the traditions, achievements, and contributions that continue to shape the Cougar family and inspire future generations.

Together, we celebrate our heritage, honor our stories, and embrace the diversity that makes Crosby ISD stronger.

Celebrating National Principals Month

October is **National Principals Month**, and we are proud to celebrate the dedicated leaders who make a difference in our schools every day.

Our principals play an essential role in creating positive learning environments, supporting our teachers and staff, and ensuring our students have the opportunity to succeed. Their leadership, commitment, and care help shape the experiences of every student who walks through our doors.

Join us in thanking our Crosby ISD principals for their hard work, leadership, and unwavering dedication to our students, staff, and community. We are grateful for all they do!

Thank you for leading with purpose and making a difference every day!

Attendance Matters Every Day

Strong attendance starts with planning ahead! As you schedule family vacations, wellness visits, and other appointments for the 2026–2027 school year, please keep our Family Break Planner handy.

Crosby ISD follows a hybrid calendar, which includes several Fridays off throughout the school year. Planning appointments and family trips around these scheduled days off can help minimize absences and keep our students in class, learning and growing.

Save this graphic for easy reference throughout the year! Don’t forget to check the district calendar for upcoming Fridays off and scheduled breaks.

CROSBY ISD
SMART USE. STRONG FUTURES.
Purposeful Technology. Powerful Learning.
At Crosby ISD, we use technology with purpose to enhance learning, protect student well-being, and prepare students for the future.
RATIONALE AND UNDERLYING BELIEFS
Technology use in Crosby ISD is guided by the belief that digital tools should enhance—not replace—high-quality instruction. Times like recess, early work completion, and free time are intentionally screen-free to encourage social interaction, creativity, and movement. Research shows that unstructured or excessive screen time can negatively impact attention, sleep, and peer relationships. By maintaining a balanced and purposeful approach, Crosby ISD ensures that technology use supports student well-being and aligns with the skills outlined in the Portrait of a Graduate—such as collaboration, self-reflection, and real-world problem solving.
Pre-K - 5th grade devices will remain at school.
GUIDELINES FOR INSTRUCTIONAL TECHNOLOGY USE
All apps, websites, and software used with students must be vetted through the Crosby ISD Technology and Curriculum departments.
Approved resources must:
Align with instructional goals and learning objectives
Protect student data privacy
Be free of inappropriate content
Offer meaningful, engaging learning opportunities
WHEN TECHNOLOGY SHOULD NOT BE USED
During indoor recess
During free time
As a reward for finishing work early
When using the internet unsupervised
On personal devices (e.g., phones, smartwatches, personal laptops)
BE RESPECTFUL
BE RESPONSIBLE
BE YOUR BEST
Together, we create a learning environment where students use technology with purpose and become future-ready Cougars!
