

The next few days are going to be filled with fun as we discover new worlds and work together to raise \$20,000 for field trips & teacher suggested projects to enrich shared spaces at Kratzer, including Encore classrooms & our Kratzer sensory room! Every student will participate in the fun through a character-building program, event day, and special incentives. Here are a few things you can do to help us reach our big goals!

- Register your student at MyBooster.com to join the fun. Search for "Kratzer Elementary School."
- Donate and share. We are encouraging every family to share their donation page with 10 people.
- Throughout the week, students and classrooms have the opportunity to earn fun rewards, which adds some extra awesomeness to our day.
- 10/23/2026 is our Kratzer Elementary Fun Run, a 35 minute running celebration for all students!
