Houston Independent School District Goals

Houston ISD will provide essential leadership, instructional, social-emotional, and community supports for our school communities. This will equip our schools to accelerate student preparation, enabling them to meet the qualities and characteristics of the HISD Global Graduate profile.

What is a School-Parent and Family Compact?

At C. Martinez Elementary School, we value our parents and community and recognize their importance in the growth and success of our students. The school and the parents of students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) agree that this compact outlines how parents, the entire school, and the students will share the responsibility for improving student academic achievement. This compact highlights the crucial partnership between the school and parents that will help children achieve this mission.
