Korea International School

# High School English Teacher

A KIS education centers on inquiry and applied learning principles. We seek teachers who are excited to join a faculty who collaborate to create relevant and rigorous learning opportunities. As an international school, cultural competency is essential to our community. And just as our teachers support student growth, KIS encourages faculty members to engage in professional development that grows their vocation. KIS works to continually improve the educational experience and benefits from the knowledge and ideas all faculty members contribute.

## Qualifications

Required:

- Bachelors Graduate degree in Education or relevant subject and required relevant certifications (Advanced Placement)

- Develop positive relationships with students and families that communicated learning goals and expectations as well as instructs on areas of strength and need
- Commitment to diversity and inclusion

Dedicated teachers play a pivotal role in nurturing our students' comprehensive development blby delivering high-quality instruction, constructive feedback, and assessments. Teachers are actively involved in various aspects of student life, including club sponsorship, advisory roles, and co-curricular activities. Collaboration within department and grade-level teams, as well as maintaining strong connections with parents and school counselors, ensures that every student receives the necessary academic and social-emotional support. Joining our community is a fulfilling experience for those who are eager to contribute to its growth.
