A message from Mrs Tomlinson…

As we are fast approaching the end of Autumn 1, I feel it is important to pause and reflect on the start to the academic year and this first half term. Most children have settled exceptionally well, embraced new routines and relationships, and are already making clear progress in their learning.

Having spent time in both Nursery and Reception over the last few days, I have been particularly impressed by the confidence our youngest children are developing. They are forming friendships, learning to manage their own needs, and becoming increasingly independent as they navigate their indoor and outdoor learning environments. The Reception team has also been completing the Reception Baseline Assessments, which provide a starting point for measuring progress. It is almost exciting to think ahead to the summer term, when we will then look back and celebrate the remarkable journey these children will have taken. Considering how much they have already achieved in just five weeks; I have no doubt that their progress will be significant. Time moves quickly in schools, and it is important that we take moments like these to appreciate just how much learning and development takes place in a relatively short period.

In Year 2, I have been delighted by the writing linked to their history study of the Great Fire of London. The children have developed an impressive understanding of this significant event and have applied their knowledge to produce some vivid descriptive writing and diary entries. Their work brings history to life and helps readers imagine the sights, sounds, and experiences of Londoners living through such a dramatic moment in time. It has been wonderful to see the children combining historical understanding with creativity and imagination.

I also have the pleasure of accompanying our Year 5 swimmers to Eton College each Wednesday afternoon. Once again, I have been amazed by the progress the children have made in both their swimming and water safety skills during the first five sessions of the programme. Perhaps most pleasing of all is the growth in confidence that so many children have shown. Children who were initially hesitant are now challenging themselves, with even some of our least experienced swimmers venturing into the deep end. Swimming is an invaluable life skill, and it is wonderful to see so many children developing both competence and confidence in the water.

Today, we welcomed the school photographers. Photographing more than 800 children in a single day is no small task, but everything ran smoothly and efficiently. The children will be coming home with their QR code slips this afternoon which will allow you to view their photo. A huge thank you goes to our office team for the careful planning and organisation that ensured the day was such a success. Don't forget that November 6th is when sibling photos will be taken.

We also welcomed a different type of visitor today. As a school, we are committed to continually improving and never becoming complacent. We value external challenge and professional scrutiny as important tools in helping us provide the best possible education and support for our children. This year, we have scheduled three external reviews focusing on safeguarding, school improvement, and SEND provision. Today's review focused on safeguarding, with the reviewer examining our systems, policies, and procedures, meeting with staff, governors, and pupils, and touring the school. We look forward to receiving the report and using the findings to celebrate strengths and identify any further opportunities for development.

While external reviews are valuable, the views of our own community are equally important. We have recently been gathering pupil voice to better understand children's experiences and perspectives, and next week we will be inviting parents and carers to complete our end-of-Autumn-1 survey. Your feedback plays a vital role in shaping our school and helping us continue to improve. Please keep an eye out for the survey link and, if possible, take a few minutes to share your thoughts.

It will also be wonderful to host our EYFS parent session next Tuesday afternoon so I do hope lots of you will be able to join the Lynch Hill EYFS team and the nurse to talk about how we can ensure our children get the best start.

Next Friday will be a particularly special day as we celebrate 70 years of Lynch Hill. Children are invited to come to school in non-uniform, and we look forward to marking this significant milestone together. We are hoping for favourable weather so that the children can enjoy a celebratory tea party and other activities as part of the occasion.

Finally, a reminder that school will close at the normal time next Friday.

Well-being: Preparing for the future

At Lynch Hill School, we have 6 Personal Development Strands which underpin children's learning and development and enhance well-being. We would love to co-work with families so these strands are shared in homes too. Our fifth strand is *Preparing for the future.*

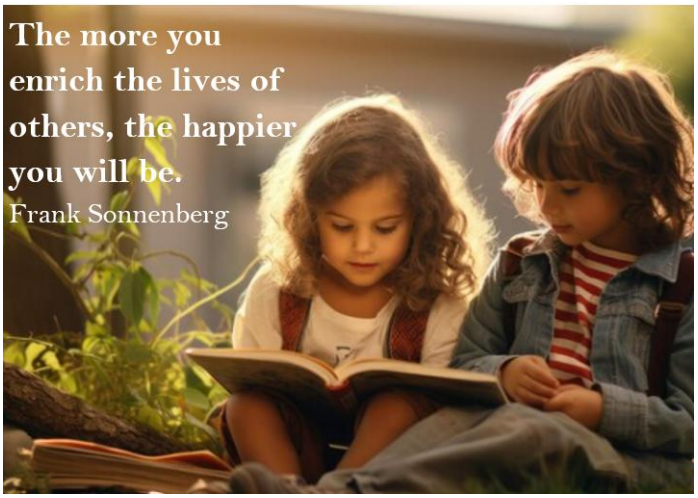

We want children to leave Lynch Hill with the confidence, passion and resilience to cope with the challenges of the next stage of life. We want our pupils to understand the changes they will experience and have developed a good understanding of the importance of having clear goals and a path to achieving them, along with knowledge of the wide range of possible careers open to them. We want our pupils to have high aspirations for their future career.

Some key points for consideration of preparing for the future in your home:

- Pick an area your child finds more challenging and work on it together. This could be anything: reading, writing, colouring, tying shoelaces, trying new foods, being a helper. Think longer-term and try and improve on it over several months or the whole school year.
- Model resilience and perseverance. Try to learn and new skill and keep trying! Demonstrate to your children that adults can learn too.
- Try new things. That might be a sports club, a musical instrument, volunteering, or personal family challenges like getting fitter together.

PRESENT Value of the Week: ENRICHMENT

70th Anniversary Party

On Friday 16th October we will be holding our 70th Anniversary party. Nursery and Reception will hold their parties in their gardens and Year 1-6 will be celebrating on the KS2 playground/field (weather depending). As the canteen will be closed due to the party, **we ask that ALL children are sent in with a sandwich/savoury snack (sausage roll/wrap etc)**, we will provide all other party food. Where possible, we would really appreciate it if children could be sent in with picnic blankets to sit on during the party (please label them!).

The Cozy Reading Corner

At our school, we want to encourage reading across the whole of the school community – and that includes our parents and carers! This term we will continue with our book reviews from/for our children. This week we have a review from ***Arohi in Year 2***

Book Review

Book: Girl Wonder's Winter Adventures
Author: Malorie Blackman
Reviewed by: Arohi Kumar (2K)

Characters

Maxine (Girl Wonder), Anthony and Edward (Terrific twins), Mum

Main Event

Maxine and her brothers create ideas about exciting adventures during winter and things not always go as per plan.

Why I Recommend This Book

Fun, exciting and teach us about teamwork and interesting winter adventures.

What I Would Change

If I change the book, I would add more pictures and more funny parts. I would also make the adventure a little longer so girl wonder could have even more exciting things to do.

My rating: ★★★★★ 5 /5

Free School Meals

The new eligibility criteria for free school meals came in to affect from the 1st September 2026.

You will be able to claim free school meals for your child if you receive one of the following benefits:

- Universal Credit (Regardless of income)
- Income Support
- Income based Jobseeker's Allowance
- Income related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guarantee element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16190)
- Working Tax Credit run-on - paid for four weeks after you stop qualifying for Working Tax Credit

To apply for your child to receive free school meals, you must complete the form via the link below.
Free School Meals Application Form

Childcare Vouchers

Please be aware that our school can only accept childcare vouchers for Funzone, Breakfast club, after school clubs and the Nursery midday provision. We cannot take vouchers for trips, instrumental lessons, or meals/lunch cards. Thank you for help in this matter.

We are a Nut, Seed and Pineapple Free School

Please make sure that you do not give your children nutty bars, seeded bread, Nutella, Kinder Bueno or any other item containing nuts in their lunch box. We have a number of children and staff with life threatening allergies to nuts, seeds and pineapple, and even touching the hand of a child who has come in to contact with nuts, seeds or pineapple could be fatal.
No nuts, no pineapple + no seeds = no problem.

Please note that all Friday meal debts will not be on SchoolMoney until Monday afternoon.

Starting Secondary School in Slough 2027/28

Apply online at www.slough.gov.uk/school-admissions

It is important that you take time to read this information which outlines the application process for a year 7 school place.

Dear Parent/Carer,

If your child was born between 1 September 2015 and 31 August 2016, and you live in Slough, you can now apply online for a transfer from primary (Year 6) to secondary school (Year 7) for September 2027.

The Citizen Portal on the council website is now open to receive applications. There are clear and simple prompts to guide you through making your application.

You will also find the ***Starting secondary school booklet*** on the council website. The booklet contains a wealth of information to help you choose the right schools, make an application and understand how the application process works. It provides a profile of all of Slough secondary schools alongside information about admission arrangements.

Who should apply?

Current Year 6 pupils - children who will be transferring from primary (Year 6) school to secondary school (Year 7) in September 2027.

When do I need to apply?

You can apply anytime from 1 September 2026. **To receive an offer of a school place on national offer day, you must submit an application by 31 October 2026.**

Please note: In order to maximise your chances of being offered one of your preferred schools

- **You MUST submit an application with any required documents/ supplementary forms on time.**
- **Your child MUST meet the admissions criteria of the school to be offered a place.**

and there is

- **NO automatic transfer from a primary into a secondary school.**
- **NO automatic offer of a sibling place without making an application.**

Apply online at www.slough.gov.uk/school-admissions Closing date to apply 31 October 2026

Changing your preferences or changing the order after submitting an application

You can make any changes to your application before the closing date. However, if you wish to change your preferences after the closing date or you wish to change the preference order, all your preferences would be considered as late applications and considered after all on-time applications.

It is possible to change your preferences after your application has been downloaded by the Admissions Team but you will need to complete an amendment form which you will find on the council's website.

What happens if I miss the closing date?

For the avoidance of doubt, all applications submitted and received after the closing date (31 October 2026) will be deemed as late applications. They will be considered after those that are received on time and after the first round of offers have been made.

How do I apply?

If you live in Slough you MUST apply through Slough Borough Council. The easiest way to apply is online.

Go to www.slough.gov.uk/school-admissions and follow the instructions on the screen.

If you do not have internet access at home you can still apply online at your local library or at the council offices.

Who can make the application?

Applications must be made by a parent or carer who holds legal parental responsibility for a child. Only one application should be made per child.
