

Parent Bulletin Friday 9th October 2026

Dear Parents and Carers

Thank you to the parents who came along to school yesterday to find out more about our Sixth Form offer at our annual Open Evening. We had a fantastic turnout and lots of really good questions and enquiries. If your child is in Year 11 then you need to know that applications open today and we really encourage students to start that early and get themselves in the system as soon as possible. Details are on our website in the Sixth Form section.

This week has included our mock by-election, taking a group of Art and Photography students to the Victoria and Albert Museum, various football matches and events, a brilliant Crime Scene Investigator themed Seniores and today's *Hello Yellow* themed event to raise awareness of mental health. We also have a charity fundraising event at lunchtime. As always, plenty going on! Next week is our first Careers Week of the year where we will promote and encourage students to understand more about the range of opportunities on offer for them in the future. Please do talk to your child about it.

Year 7 RE Trip

If your child has not yet returned the slip for the RE trip later this month please make sure they do it on Monday and contact Mrs Ali on nal@slougheton.com if you have any queries.

Recycle Your Empty Ink Cartridges!

We are encouraging students and families to bring their empty ink cartridges into school for recycling. The cartridges will be donated to Recycle4Charity, with the recycling helping to raise funds for Slough Outreach. Students can bring their empty cartridges to Miss Malik in M4, where they will be collected for recycling. Students who bring in empty ink cartridges will receive 10 positive points for supporting this initiative. Thank you for supporting our sustainability initiative!

Online Safety

This week's online safety guidance is about what parents need to know about 'A Parent's Guide to Internet Controls'. You can access the details online [here](#)

Have a great weekend

Mr Peter Collins

Headteacher

I have come in order that you might have life – life in all its fullness (John 10:10)
