

FAMILY COMPACT

Our school-home compact outlines how parents, school staff, and students will share the responsibility for improved academic achievement and developing well-rounded students. Some of the activities we are planning for this year are the Cougar Encor Crawl, Cougar Parent Academy, and STEAM Night!

Our school allocates Title 1 funds to facilitate 4 family nights throughout the year. In addition, funding is used to staff our school with highly qualified teachers and for resources to promote hands on learning and technology.

STAY CONNECTED

GRW is committed to communicating our Cougar families. We will communicate by:

- Class DoJo app for school wide communication.
- Emails/phone calls
- Parent Conferences 10/12 & 2/15
- Progress Reports 9/30, 12/2, 2/24, 5/5
- Report Cards 11/4, 1/27, 4/14, 6/8
- Week Ahead at Whitfield Posts/Emails
- Wednesday Communication Folders

ABOUT US

G. R. Whitfield School, founded by George Roscoe Whitfield, was formerly a Training School. In 1967, the school was renamed G.R. Whitfield School.

Today G.R. Whitfield, a Title 1 school, serves students in PreK-8th grade. Our school offers a College and Career Readiness lab, STEAM electives, Music programs, and Advanced academic courses.

SCHOOL GOALS

- **Help Every Student Succeed**

We are committed to helping all students grow academically, socially, and emotionally so they can reach their full potential.

- **Provide Every Child with Support They Need**

We work to ensure every student has access to the resources, opportunities, and support needed to be successful.

- **Support Great Teaching in Every Classroom**

We invest in our teachers and staff so they can provide engaging, high-quality learning experiences for every student.

FAMILY NIGHTS

Open House/Curriculum Night - August 20

Cougar Encore Crawl - March 10

Cougar Parent Academy - February 15

STEAM Night - December 8

OUR MISSION

Through collaboration with parents, students, teachers, and the global community, G.R. Whitfield School will provide students with authentic learning opportunities which promote critical thinking, problem solving, and clear communication skills necessary for lifelong success.

PLEDGE TO SUCCESS

Students will...

Work to the best of their ability on all assignments, follow the student code of conduct, and be kind to their peers

Parents will...

Communicate regularly with their child's teachers, review school work in the Wednesday Folder, Check grades on Infinite Campus and reinforce positive behavior expectations.

Teachers will...

Provide effective and supportive learning opportunities according to the standard course of study, explain and reinforce the student code of conduct, communicate and collaborate with the students families.
