Information

The Jackson-Milton District is required to locate all children who may have disabilities, ages birth through 21, who reside within its district. Special Education services are available in our schools for any child identified with a disability ages 3 through 21. If you have a child or know of a child you suspect may have a disability under the Individuals with Disabilities Education Improvement Act or Section 504 of the Rehabilitation Act, and who reside in Jackson-Milton District, please call the Jackson Milton Student Services at 330-538-3232 or contact your building principal.

The [Individuals with Disabilities Education Act \(IDEA\)](#) is a law that makes available free appropriate public education to eligible children with disabilities throughout the nation and ensures special education and related services for those children. The IDEA governs how states and public agencies provide early intervention, special education, and related services to eligible infants, toddlers, children, and youth with disabilities.

[A Guide to Parent Rights in Special Education \(ohio.gov\)](#) is Ohio's official procedural safeguards notice for families of students with disabilities ages 3 to 21.

Special Education Model Policies

In August 2026, the Jackson-Milton Board of Education adopted the Special Education Model Policies and Procedures that were released by the Ohio Department of Education and Workforce (DEW) in December 2024, and directed all staff in the district to use and comply with the Model Policies. A copy of these Model Policies can be found [here](#).
