Cell Phone Policy

Utica Community Schools is committed to providing a high-quality education for students and a professional learning environment for staff—free from distractions—to support effective teaching, enhance student well-being, and maintain a safe, focused school environment.

Research studies indicate that cell phone use, particularly for social media and interaction, can interfere with a student's ability to focus on learning and can negatively impact students in many ways. Excessive use of cell phones and social media has been linked to lower academic performance, increased behavioral issues, and other conditions that hinder a student's ability to excel.

This policy prohibits student use of wireless communications devices on school grounds during instructional time. The Utica Community Schools Board of Education delegates to the Superintendent of Schools the responsibility for developing administrative rules and regulations for prohibiting the use of wireless communications devices during instructional time in accordance with the Michigan Revised School Code (MCL 380.1303a) and this policy. The Board of Education also recognizes additional restrictions may be necessary based on the age and/or grade level of the students.

Students are personally and solely responsible for the security of their wireless communication devices. Utica Community Schools is not responsible for the theft, loss, or damage of a personal wireless communication device.

The use of wireless communications devices (WCD) by students is prohibited while on school grounds as follows:

While junior high/middle school students may carry wireless communication devices on their person, the device should not be used, seen or heard, from the time a student walks into the school at the start of the day until the final bell at the end of the school day.

At all levels,

- a. WCD cannot be brought into testing rooms.
- b. Use of a WCD is permitted in school vehicles as long as it is not used to violate any Board of Education Policy or any other school rule and is used in a way that is respectful to those around them.
- c. Using the recording capabilities of wireless communications devices is prohibited without the expressed permission of a building administrator.

The following exemptions apply to the prohibition of wireless communications devices:

1. Medically necessary devices determined in a student's health plan.
2. District-owned devices, including, but not limited to, school-issued tablets and laptops.
3. Devices designated by the District to be used for instructional purposes.
4. Devices used for special education programming or devices provided as an accommodation to students as required under Section 504 of Title V of the Rehabilitation Act of 1973, 29 USC 794, or as part of an Individualized Education Plan under Title II of the Americans with Disabilities Act of 1990, 42, USC 12131 to 12165.
5. Lesson-specific academic assignments, at the limited and direct discretion of a classroom teacher.
6. Emergency situations, as described in the Utica Community Schools Emergency Operations Plan. Use of a wireless communications device must not interfere with school emergency protocols or the actions of first responders and must not endanger students or faculty.

Junior high/middle school enforcement mechanisms include:

- a. In the first few weeks of school, the expectations will be shared in rules meetings with students.***
- b. The first violation will lead to a warning letter, issued when the parent/guardian picks up the phone from the office, explaining what will occur if there are continued violations.***
- c. The second violation will lead to detention(s) to be served during lunch or after school.***
- d. The third violation and each subsequent violation will lead to a one-day suspension.***
- e. At all violation levels, devices will be confiscated and a parent/guardian must arrange for the device to be picked up.***
- f. To avoid multiple violations, students, parents/guardians and the building administrator can agree to a plan such as turning the device in each day in the morning and picking it up at the end of the day.***

Student responsibility for wireless communications devices:

Students are personally and solely responsible for the security of their wireless communications devices. The school system is not responsible for the theft, loss, or damage of personal wireless communications devices.

On September 10, 2026, we met with 7th, 8th and 9th grade students to address the 2026-2027 Student and Parent Handbook. Below you will find a few key points that we went over with all the students. Everything that we addressed can be found in the UCS 2026-2027 Parent Student Handbook.

- Students must have a pass when they leave the classroom.
- Students must have their IDs on and visible.
- Students may carry wireless communication devices on their person, the device may not be used, seen or heard, from the time a student walks into the school at the start of the day until the final bell at the end of the school day.
- Big backpacks are not allowed in the classroom. Students need to be using their lockers and string backpacks.
- No food or drinks in the classroom or hallways. (Water is allowed)
- Attendance : regular attendance, being on time, and active participation in class contribute to student success. "Excessive absences" is defined as 10 or more in a semester. Please review the attendance policy with your student.
- Dress Code : Students' dress must not disrupt the educational process, interfere with the maintenance of a positive teaching/learning climate, or compromise reasonable standards of health, safety and decency.

BACKPACK

expectations for 2026-2027

**ATTENTION
PLEASE**

Students will NO LONGER be able to carry their large backpacks during the school day from class to class. Backpacks have become a safety issue in both our hallways and classrooms. Large backpacks MUST remain in student lockers during the school day.

Students may carry a drawstring tote. These hold a maximum of two books and/or the student's assigned laptop, and can hang on the back of student chairs. Nylon drawstring totes will be available for purchase in The Chieftain Corner Store, or can be purchased at local retailers.

Lunch Deliveries : REMINDER

D *Food Deliveries:* Food that is delivered by a service such as Door Dash or Grub Hub will not be permitted at Eppler. due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. we ask that all students bring their own lunch or buy a lunch from the cafeteria. If a student forgets their
W lunch, they may borrow against their lunch account in the cafeteria, or a parent may drop off a lunch for their
I student. However, if the food dropped off is from a restaurant, the student will be asked to eat it in the Main Office during their lunch hour. Coffee, smoothies, and outside breakfast brought in the school in the morning must be consumed before going into first hour. This is the practice that takes place at the high school level and Eppler is aligning with Utica High in order to provide consistent expectations for our students. If you would like to apply for the free or reduced lunch program, or to establish a lunch account for your child, please click [here](#).

Thank you for your understanding and we appreciate your support.

Dress Code Rules - REMINDER

Dress code:

Please address the following dress code items with your child:

- Hoods/hats are not to be worn in the building.
- Clothing must not show bare mid riffs, shoulders, cut too low or any derogatory or drug/alcohol messages.

Student Drop-off after 7:55

Parents, please be aware that there is often no need to come into the building when you are dropping off your child at school if they are late or after an appointment. The only reasons we will require you to come into the building are if you are picking up your child, for which you will need ID, or if you are dropping off anything for your child, which we ask that you label for their pick-up. Other than that, please feel free to stay in your warm and dry vehicle (on cold and rainy days) and enjoy whatever you may be listening to from your playlist! Thank you!!

School Safety

Safety remains a priority for our school. Eppler Junior High School is once again providing training to our students and staff on our safety protocols. The protocols identify actions that students may be asked to take in the event of a potential incident: hold, secure, lockdown, evacuate and shelter.

The protocols will continue to be part of the training while practicing our regular school safety drills, such as fire drills, security drills, tornado drills, evacuation procedures, etc.)

The video is available for you to review at this link: [UCS School Safety: Standard Response Protocol – Junior High - YouTube](#) If you have any questions, please contact our office.

Early Dismissal Procedures

We have a new process for early dismissals. When you arrive at Eppler please ring the bell at our Main Office door, let us know your student's name, show your id to the camera and we will let you in to our vestibule. With your cell phone please scan the QR code on the red "Scan For Early Dismissal" poster on the wall, type in the information requested, and we will call your student down to leave with you.

STUDENTS: You must come through the front office to exit the school.

How to Report an Absence

- When a student is going to be absent, parents/guardians should report the absence before the school day begins. Calls to the attendance line can be made 24 hours a day, seven days a week. The Shelby Attendance Line is **586-797-2799**. Absences will be input to PowerSchool by 4:00 pm on the date of the absence.
- Per UCS policy, the following reasons for an absence will be accepted as an excused absence; student illness, hospitalization, doctor ordered bed rest, mandatory court appearance, death in the immediate family, family vacation, medical appointments and administrative permission. **All other absences will be unexcused.**

2026-2027 Attendance Information

Regular attendance and active participation in class are integral parts of a student's total education. Students can achieve educational benefits only through regular class attendance and a serious commitment to an educational program.

During the 2026-2027 school year Eppler Administration will be sending text messages and emails to parents/guardians about their student's attendance. Messages and emails may have a number or email address that you do not recognize. If the messages are about attendance and mention your student, it was sent to you by Eppler Administration.

Together, we know that strong attendance leads to stronger learning. When schools and families partner to make daily attendance a priority, students are better prepared to succeed—both in the classroom and beyond.

Eppler Chess Club

Calling All Future Chess Champions!

Are you ready to challenge your brain, learn something new, and have some fun after school? The Eppler Junior High Chess Club is officially kicking off on Monday, September 28!

Whether you're a chess master, a beginner, or someone who doesn't even know the difference between a king and a knight, EVERYONE is welcome! We'll teach you how to play, help you develop strategies, and give you the opportunity to challenge your friends in some friendly competition.

Chess Club meets every Monday from 2:55–3:55 PM in Room 118. And the best part? It's completely FREE to join! No experience necessary. Just bring your curiosity, your competitive spirit, and your best game face! Your move, Eppler!

Science Olympiad

Calling All Young Scientists!

What if science class felt less like taking a test and more like an athletic championship? Welcome to Eppler Science Olympiad!

Science Olympiad is the ultimate STEM team sport. Instead of running track or throwing a football, we build rubber-band airplanes, solve forensic crime mysteries, test our knowledge of space, and engineer robotic arms. You compete in pairs, meaning you never have to do it alone. You get a teammate, a slate of awesome hands-on challenges, and the chance to travel to regional and state tournaments wearing team shirts and winning medals. You don't need to be a straight-A genius already - you just need to be curious, like building things, or want to hang out with friends who like figuring out how the world works. Come check us out!

Please see Ms. Markus in Room 125 to check out this fun opportunity!

Visiting a UCS School

We are asking for your support to help keep our students safe.

· All visitors to the classroom areas of our school are now being asked to swipe their driver's license or government issued ID before entering the main part of our building. This swipe will quickly provide an updated check against national sex offender registries. This process is for anyone who is going past our school office for any reason.

· If you are planning to volunteer in our classrooms or work directly with a student, you will need to have a volunteer background form on file. The form is located at this link. The background check involves multiple state and federal law enforcement data bases.

We greatly appreciate the involvement of our families and the difference you make at Eppler Junior High. Thank you for your partnership with this extra step that will improve safety in our school.

STUDENT ASSISTANCE

CARE invests in youth by working with the community, school personnel and parents to promote the healthy development and education of young people.

CARE's Student Assistance

- Does your child/student have difficulties at school or in other social settings?
- Have you noticed a change in your child's/student's behaviors and/or attitudes?
- Are you concerned that your child/student may be using alcohol or other drugs?

CARE of Southeastern Michigan understands the struggles that families are facing today. Despite all efforts, when a family is in crisis because of substance use or social and emotional health concerns, there is a greater likelihood that a young person will experience difficulties. Student Assistance offers students and their families guidance and support.

Student Assistance Clinicians specialize in at-risk issues such as substance abuse and mental health problems. A qualified Clinician will conduct initial screenings and assessments to determine the extent of a student's problems and provide resources to best help the student and their family. Students and families will receive assistance in gaining access to the most appropriate service for their area of concern.

INDEPTH is led by a trained, CARE facilitator either one-on-one or in a group setting.

Camp CARE:

This program is offered for children/families who have been impacted by alcohol and other drugs by a loved one. Through small group discussions, children, youth and teens learn: You are not alone, identify and process feelings, how to be safe, celebrate themselves, how to handle peer pressure, conflict resolution, making healthy choices, and life skill building.

Teens Talking Truth:

T³ participates in social events, community service opportunities, and workshops that address the challenges of today's youth, with a primary focus on alcohol, tobacco and other drug prevention and a healthy teen lifestyle. T³ also works to get rid of the myth that all teens require drugs or alcohol to have fun!
