Parent/Guardian Visitor Policy

Boys' Latin of Philadelphia ("Boys' Latin" or "the school") welcomes and encourages parents/guardians to visit their student's school and observe their student in the classroom.

To visit, parents/guardians must:

1. Call or email their student's school in advance so that the school is aware of their plan to visit.
2. Immediately register at the front office and present proper identification upon arrival at their student's school.
3. Receive a school visitor badge and wear the badge at all times while in the school building.
4. Be escorted to their student's classroom by a school employee.

During periods of distance learning, parents/guardians are still required to notify the school in advance of visiting their students' virtual classrooms.

Please note that some days are not appropriate for visits (i.e. testing days). For this reason, Boys' Latin reserves the right to deny visit requests.
