📬 World Post Day!

Today, October 9, is World Post Day! ✉️📬

Before texting, Snapchat, and email, people actually had to write letters, put them in envelopes, and WAIT for someone to receive them! 😱😂

Today's challenge: Take a minute to send someone a positive message! Whether it's a handwritten note, a thank-you, or a few kind words, you never know how much it might brighten someone's day.
