Heavy Vote Cast as District 11 School Bond is Approved

By an overwhelming majority of 908 to 510, residents of Consolidated School District 11 Tuesday authorized the board of education to issue bonds in the amount of $765,000 for the construction of a new junior-senior high school.

The total vote of 1,418 was the largest ever cast in the district, topping by 600 the total vote of the original consolidation of the nine formerly separate districts. It exceeded by 98 votes the total number of ballots cast in the much larger Minnetonka District No. 7 school bond vote the previous week.

The new school is to be located on a 42-acre tract, the former Ed Fries farm northwest of the intersection of highway 12 and Orono town road, about one and one-half miles west of Long Lake. The site was purchased under authority voted in a special election in May, 1949.

The two story brick, concrete and steel building is planned to accommodate 400 students, with 20 study, laboratory and classroom units, administration offices, school nurse's quarters, gymnasium and stage and a cafeteria
