Please see the back of this newsletter for more information

What your Kindergartener is Learning:

Language Arts

Domain:

This week we will continue to talk about plants. We will read stories about pollination and why bees are important, fruits and seeds, and Johnny Appleseed.

The Vocabulary words are on the back to review at home.

Skills: We are still working on sounds. In these lessons students will learn words that start with the sound, how to write the sound, and movements for the sounds.

This week we are working on the following sounds: "y" "x" and "k."

These are the last letters that we have to teach!

Math

This week we will finish Lesson 7 which is working with addition up to 5. We will then start Lesson 8 which is working on 2D shapes.

Kindergarten Reminders:

Pumpkin Book Report was sent home:

Please have fun with this. Pick your favorite book and character. When picking a book, please remember we do not celebrate Halloween. Books with a Halloween theme will not be shared or accepted.

Sight Words:

How are they coming? Are you practicing nightly? The first 20 words should be mastered. We will be introducing new words in October. If you are having trouble with these. Make flash cards, play a flash card game with them. Find them in books you are reading at home.

This month the first 20 words need to be mastered. Keep working on these at home! Please make flash cards at home to help practice these. These words are words that can not be sounded out, so they just need to be memorized. **We will start introducing new sight words soon!!!**

the, of , I, and, or, a, at, to, do, in, on, is, it, had, can, not, but, so, no, go

Picture Day is coming!

Picture Day is around the corner. More information to come but mark your calendar for Oct. 23.

Wounded Warrior Project

Coin Drive

Check those couches, pockets, piggy banks, and cars! We are collecting change to try and change a Veteran's life! Each classroom across campus is trying to raise funds to help this non-profit organization make a difference!

Vocabulary Words for Plants!

Pollination: When pollen from one flower lands on another flower and the second flower makes seeds

Nectar: A sweet liquid found in flowers that bees and some birds collect.

Fruit: The part of the plant that contains the seed.

Hero: A very brave person

Orchards: Areas of land where fruit trees are grown.

Core Knowledge is #1! We get it done with fun!! Hands-on, Right on!

Integrated Science, Social Studies, Math and Language Arts!
