

TRADE SCHOLARSHIP PROGRAM

Hydro Extrusion North America wishes to encourage high-performing Pennsylvania students to consider a career with Hydro by offering a financial scholarship to local trade schools.

YOU NEED

- ✓ Completed Scholarship Application
- ✓ An original essay (400-600 words)
- ✓ Optional resume
- ✓ Transcript + cumulative GPA & ACT/SAT scores
- ✓ Email by designated deadline to qualify.

ELIGIBILITY

- Be a resident of the Commonwealth of Pennsylvania.
- Be attending/ graduating from a school within a 30-mile radius of 53 Pottsville Street, Cressona, PA
- Be a current Eligible High School senior that has been accepted to and plans on attending, or is currently attending and will continue to attend, one of the approved trade schools in specified programs of study during the Fall semester of the upcoming year.
- Children, grandchildren, nieces and nephews of the Extrusion North America Lead Team, along with any of their relatives who may be Hydro employees, are not eligible to participate.

SELECTION PROCESS

Scholarship Awards will be disbursed on behalf of each successful applicant either (1) upon submission of proof of initial official registration (not acceptance) with the Eligible Trade School, and Hydro's receipt of a signed commitment letter from the successful applicant to apply to Hydro for full-time employment post-graduation, or (2) for a previous awardee, if the successful applicant is already enrolled full-time in an Eligible Trade School, then upon documentary proof of continued enrollment and an official transcript showing a GPA equivalent for the previous enrollment period of not less than a "B" average.

AMOUNT:
\$10,000
