

2027 Autism Evaluation Training

This training will be presented over 4 days, in 3-hour segments. The training is designed to support districts in understanding how to identify students suspected of having Autism Spectrum Disorder (ASD), using evaluation tools to assess the triad of characteristics of ASD.

Participants will learn how to build a body of evidence to support the identification of ASD (determining eligibility) in an educational setting (without the ADOS).

Who should attend?

- Certified school professionals involved in assessment for the educational identification of ASD, including: school psychologists, social workers, speech/language pathologists, special education teachers, occupational therapists, district administrators, and other certified staff who are part of the evaluation team.
- Priority will be given to those who have not previously attended.

Dates & Times

- February: 3rd, 10th, 17th, 24th
- 9:00am to 12:00pm
- Participants must complete all 4 virtual sessions to receive a certificate for 12 CDE clock hours.
- Partial credit will not be given.
- No reimbursement is provided to participants.
