DISTRICT CORE VALUES

The West Linn-Wilsonville School District community shapes our children's future with knowledge and hope, with tradition and vision. We hold the following beliefs as the foundation of education for our next generation.

- **Professionalized Learning** to increase student performance through purposeful experience and reflection, integrating multiple ways of knowing and expressing understanding.
- **Passion for excellence** and the development of individual expertise and craftsmanship.
- **Individual and Collaborative Effort** knowing that what we do makes a difference for ourselves and our world.
- **Personal and Social Responsibility** extending interpersonal concern to the future and stewardship for the Earth and its inhabitants.
- **An Ethical Spirit** the commitment to integrity, honesty, trust, fairness, justice, and compassion
- **Continuous Improvement** reflecting a desire to continually improve and become better.
- **Respect and appreciate** the richness that diversity of culture, beliefs, ideas, and experience offers an interdependent community.
- **The Family** as the primary support for the learner, while expanding the circle of support through business and community partnerships.

SCHOOL AND COMMUNITY

The West Linn-Wilsonville School District is nestled within two thriving cities, West Linn and Wilsonville, within the south metropolitan area of Portland, Oregon. Both communities have a strong legacy of support for their schools, music and arts endeavors, and the overall well-being of their patrons. The school district and surrounding communities have experienced steady, constant growth over the past three decades. The total student enrollment of the West Linn-Wilsonville School District in 2025-26 is 8,617. At West Linn High School, the Class of 2026 saw over 88% of its graduates choose to pursue a degree path through a 2-year or 4-year college.
