Program Description

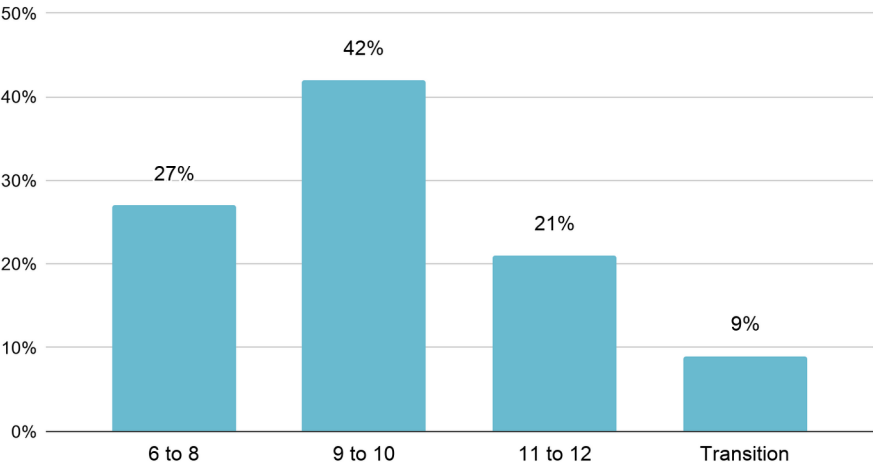

Arata Creek and Burlingame Creek schools provide educational programs for students with special needs from 7th grade to age 21 who have had persistent behavior challenges in school. Students are taught new social and academic skills and strategies that will allow them to be successful in school as well as in the community. The Creeks schools serve students from Multnomah County and other school districts by contract.

Performance Measures

STAR assessments are taken as pre and post at 12-week intervals. Growth is indicated as the averaging of growth demonstrated by all students with at least two assessments in the school year. Student growth is measured as Grade Equivalent. Participation rate criteria are in place to ensure district tests all eligible students.
