Performance Measures

IXL Assessments are used to identify students’ strengths and areas needing improvement, and to provide targeted support to enhance student learning. A student’s score represents their working grade level. For example, a level of 400 represents a readiness to start working on 4th-grade skills, and a level of 450 means the student is about halfway through the 4th-grade curriculum.

IXL Scores	2025-26 Average Intake Score	Number of Students included in intake Calculation
Math: Students in grades 5-8	360	6
Math: Students in grades 9-10	411	23
Math: Students in grades 11-12	356	22
Reading: Students in grades 5-8	488	6
Reading: Students in grades 9-10	585	23
Reading: Students in grades 11-12	479	22

MESD is a nationally accredited educational cooperative that provides programs, services, and academic placement options on a regional basis to school districts in Multnomah County and beyond.
