Welcome, Academy Families!

It is the joy of our Little Lions team to provide before- and after-school care for FCA students in Kindergarten through fifth grade. Our program offers a safe, welcoming place for children before school begins and after the school day ends.

Registration

Please review and complete all required registration forms and waivers before your child's first day of care. Both the completed registration form and schedule form are required before attendance. Completed paperwork should be submitted to the Elementary School Office.
