

Reid 2026-2027 SSC Call for Nomination-Student

School Site Council is a group of elected parents, students, and staff who meet to discuss student needs, revise the school plan, and recommend budget allocations in order to help students raise their academic achievement and create a more positive climate at our campus.

There are 3 openings for students on our School Site Council. We encourage all interested students to submit their name for the upcoming election. Students are elected by vote of other students. Those elected serve a term of 2 years.

No experience is necessary. Training will be provided for members. There will be a commitment to attend meetings which are usually monthly.

How can I nominate myself to be put on the ballot for School Site Council?

Please complete this [Google form](#) by October 13th at 4:00.

Elections for School Site Council will be held on:

- *Friday, October 16th*
- *Front Office*
- *8:00-4:00*
