CURRICULUM AND COURSE OFFERINGS

Park City High School's academic school year consists of two semesters (previously quarters*). Eight class periods are available in a block schedule, where students take four 90-minute class periods each day, alternating daily. We offer full-year and semester-long courses.

Dual Language Immersion (DLI) Concurrent Enrollment:

Our district offers French and Spanish Dual Language Immersion from elementary through high school. At the high school, the DLI Bridge program consists of 3000-level college courses that award students 6 to 9 college credits each.

Honors Courses: 3 total courses

Secondary Math 1, Secondary Math 2, Secondary Math 3. Our honors courses are open enrollment.

Concurrent Enrollment Courses: 35 total courses on average

We have partnered with Utah Valley University and Weber State University to offer students the opportunity to earn college credits through enrollment in eligible PCHS courses. These courses are open enrollment, but to receive the college credit, students must meet the college's admissions requirements. We also partner with Mountainland Technical College for technical education certifications.

Park City Center for Advanced Professional Studies (PCCAPS):

Project Based Learning where students work with companies and businesses on real-world projects. Open to juniors and seniors.
