Art Requirements

- Each piece must be clearly labeled on the back with the **artist's name, grade, and title of work**.
- Art must be family-friendly as viewers of all ages attend the show.
- It is the artist's responsibility to ensure pieces can be displayed securely and safely with one of the below methods.
- Artwork will be collected after the release and registration form is filled out through the web form.

2-D Best Option: Picture hooks on wire. Your art will be most stable if it is framed with picture wire attached to the frame. We will supply the picture hook and hang it like this:

2-D Next Best Option: Frame that can be hung on a picture hook. If you don't attach wire, we will hang framed work using picture hooks on the frame, like this:

2-D Non-Framed: If your art is without a frame, we will attach binder clips and hang the clip from picture hooks. A mat on the artwork helps so the clips don't damage your art.

3-D: It is the artist's responsibility to ensure that each 3-dimensional piece is free-standing and can be safely displayed either on a pedestal or on the floor if it is very large.

Awards

- There will be four People's Choice Awards. All visitors may vote for their favorite piece in each age division: Middle School (grades 6-8) and High School (grades 9-12). The winner in each division (by popular vote) will receive a \$100 gift certificate to Blick Art Materials; a runner-up in each division will receive a \$50 gift certificate. An artist can win the People's Choice Award a maximum of two years in a row. Encourage your friends and family to check out the show and vote!
- Prizes are sponsored by **Blick Art Materials**.
