529 College Savings Program

-  **What can my 529 be used for?**
529 funds can help families pay qualified college expenses, including tuition, fees, books, supplies, and other eligible education costs.
-  **Does using a 529 affect my financial aid?**
Families often ask how 529 savings are considered when determining financial need and eligibility for financial aid.
-  **How do I use my 529 to pay Marist?**
Your 529 provider can send funds directly to Marist, or families may use a distribution to pay eligible expenses.
-  **When should I request my 529 distribution?**
Plan ahead—families should allow enough time for funds to be processed and received before payment deadlines.
-  **What if I don't use all the money?**
Families may have options for using remaining 529 funds for other qualified education expenses or, depending on the circumstances, other permitted uses.
- A 529 is a valuable way to plan for college expenses—but families should understand how withdrawals, qualified expenses, and financial aid work together.

Monthly Payment Plan

- Convenient alternative to lump-sum, semester payments
- Payments can be made over specified time period
- Enrollment fee per semester

What is Cost of Attendance (COA)?

Completing the FAFSA

- Each contributor must create an FSA ID and password at: <https://studentaid.gov/>

Be aware of new requirements

1. Two-step verification

What is the Student Aid Index (SAI)?

(Formerly known as Expected Family Contribution (EFC))

- The Student Aid Index (SAI) is a number that determines each student's eligibility for certain types of federal student aid.
- Calculated using data from the federal application form (FAFSA) and a federal formula.

Factors Considered in Calculating the SAI:

1. Income
2. Assets
3. Household size
4. Federal poverty guidelines

The College Scholarship Service (CSS) Financial Aid PROFILE

- Used by some colleges and universities to award their own institutional financial aid funds. This form is in addition to completing the FAFSA.
- Review the colleges' websites to determine if the PROFILE is required or for priority filing dates.
- \$25 for the initial application; \$16 charged for each additional college you request. (Free if your AGI is less than \$100,000!)
- Students register and complete the PROFILE online at <http://student.collegeboard.org/profile>
- PROFILE is not required for federal financial aid

Points to Remember

- Financial aid, state requirements, and deadlines may vary by institution
- Read the FAFSA and PROFILE instructions carefully
- The FAFSA must be completed or renewed every year the student is in college in order to be eligible for financial aid

Federal student aid from the U.S. Department of Education (ED) helps cover expenses such as tuition, fees, books, supplies, food, housing, and travel—but it is not the only source of funding for the students' college costs. Scroll down to the "Other Factors to Consider" section to see some additional options that may help students lower their college costs.

Estimated Pell Grant Award

\$2,345

Maximum Available Direct Loans

\$9,500

Average Work-Study

These estimates are all approximate calculations.

Estimated Student Aid Index (SAI)

SAI is an eligibility index number that the financial aid office of the college uses to determine how much federal student aid the student would receive if the student attended their school. Taking into consideration the student's or parent's income and assets, a need-based analysis generates an estimated SAI value.
