

BOTMASTERS

PIERCE'S GIRLS 5TH-8TH ROBOTICS & TECHNOLOGY TEAM

You Don't Have to Be a Genius to Join Robotics

We all started as beginners.

Join a **supportive girls-only team** where you'll make friends, build confidence, try new things, and discover what you're capable of.

NO EXPERIENCE REQUIRED. We will teach you everything.

There is a place for YOU if you like:

- 🎨 Design & Creativity
- 📷 Photography & Social Media
- 🎥 Video Creation
- 💬 Talking to People
- 🧩 Problem Solving
- 🤝 Teamwork
- 🔧 Building Things
- 💻 Learning Technology

What you'll actually do:

- Make friends
- Learn to build a robot
- Create social media and videos
- Travel to competitions
- Meet women in STEM careers
- Learn leadership skills
- Have fun while trying something new

Season Schedule

Now-December 7

Monday 5:30-6:30 & Wednesday 6p-8p

Pierce room 239

Missed practice acceptable

**BUILDS
CONFIDENCE,
LEADERSHIP,
TEAMWORK, AND
STEM SKILLS.**

Come Try It

First!

**Not sure robotics is for you?
Visit a practice
and meet the team.
No commitment required.**
