

HOLLIS BROOKLINE HIGH SCHOOL

2026-2027 SCHOOL PROFILE

Hollis Brookline High School is a four-year, public high school with a high level of academic rigor and outstanding school community resources. HBHS is accredited by the New Hampshire Department of Education and the New England Association of Schools and Colleges. HBHS was named the #9 NH high school by America's Best High Schools and #2 Manchester Area High School in 2026 by US News and has been listed on Newsweek's list for over sixteen consecutive years. We are also ranked the #3 Best Public High School in New Hampshire by Niche. The standard coursework contains a rigorous college preparatory curriculum; the median GPA is greater than 3.5. HBHS has an enrollment of 712 students, a current senior class of 186, a Professional Staff of 84, and a Support Staff of 37. Hollis Brookline High School serves the towns of Hollis and Brookline with a combined population of 14,784. HBHS is located west of Nashua and borders Massachusetts. The community boasts large apple orchards, farms, specialty shops, and light industry. Professionals commute to Boston, MA as well as Manchester and Nashua, NH.

We Value

- Integrity
- Intellectual Curiosity
- Innovation
- Individuality
- Involvement in HBHS Community

We Believe In

- Inspiring lifelong learning and achievement through a broad range of experiences
- Encouraging all to strive for their maximum potential
- Upholding an atmosphere of mutual trust and respect essential to the educational process
- Recognizing that students, parents, and staff share responsibility for open communication to maintain a thriving school community
- Maintaining a safe, productive learning environment

Hollis Brookline High School Program of Studies

HBHS Curriculum

Hollis Brookline High School provides its students with an extensive and comprehensive curriculum, offering more than 165 courses in which the standard course consists of rigorous college preparatory coursework. Progressive work is available in the core subject areas. In grades 9 and 10, Accelerated classes are offered in English, Math, and Science; however, there is no additional weight awarded to the GPA. Honors and AP classes are offered to students in grades 10, 11, and 12, and additional weight is awarded toward the standard GPA. HBHS participates in the NH Scholars program.

Students have the opportunity to participate in courses offered in regional technical programs at area high schools during their junior and senior years.

Advisory

The Advisory program at HBHS is intended to enable students and advisors to know each other well and for each student to have an anchoring adult in the building. The focus is on supporting the whole learner, developing relationships outside of the academic classroom, and creating a positive, safe, and supportive peer and school culture.
