Events Overview

Ellesmere for Everyone

The Ellesmere College Parent' Society exists to create opportunities for pupils, families and staff to come together and celebrate being a part of the fabric of Ellesmere College.

Events are organised and hosted by ECPS throughout the year to allow the school community to come together and celebrate life at Ellesmere College. Whilst some fundraising may result from events, this is secondary to our goal of nurturing the sense of community at the school.

The importance of volunteers

Every event run by ECPS is thanks to the commitment and effort of volunteer parents, alumni and staff. The time and energy given is done so voluntarily and we want to acknowledge and thank all those who contribute to the activities of ECPS. For information on how you could support ECPS, please email ECPS@ellesmere.com for more information.

How you can help

Volunteering

Volunteering to support events does not have to mean a big commitment of time. It may be as simple as adding some items to your weekly shop to be used at events. If you would be willing to volunteer even a couple of hours a term to ECPS, please email us at ECPS@ellesmere.com or join us at any of our monthly meetings. No amount of support is too small and

Supporting Events

Whilst the ECPS is not specifically focused on fundraising, any monies generated by events are invested back into future events or school projects (excluding Macmillan Coffee Morning). Just by joining us at an event you are supporting the ECPS in their goal of building community and working for the benefit of the school.

ECPS Meetings

Everyone is welcome to come to the ECPS meetings and learning more about events. Attendance does not commit anyone to volunteering and many attendees simply come to listen and share their own ideas for future events. It is also a great way to meeting people and build your own knowledge about life as an Ellesmerian.

Keep Informed

ECPS Webpage

All information regarding the current term and the work of ECPS can be found at www.ellesmere.com/pastoral/parents-society

Instagram

ECPS advertise events and activities throughout the year via our Instagram page. Follow us at www.instagram.com/ellesmerecollege.ps

ECPS Newsletter

This year we are launching the ECPS Newsletter. We will share this periodically to update you on what activities have been hosted and what is planned in the near future.

Whatsapp

We will also be trialling more communication via Whatsapp this year. This will be an information sharing chat, with conversation disabled, to minimise notifications.

We want to hear from you too

ECPS will be sharing surveys throughout the year to hear more from families about their thoughts on the work we do and what you would like to see in future.
