3. Achievement & Integration

Once they are approved by MDE, Achievement and Integration (A&I) plans are in effect for three years. At the end of the third year, the commissioner must determine if districts met each goal in their approved plans (Minn. Stat. § 124D.862, subd. 8).

In order to do this, each district is asked to provide information in this A&I progress report indicating whether or not each of their plan goals has been met. The information you submit will also be used to provide ongoing support for your A&I efforts.

Districts with one or more racially identifiable schools will also submit progress reports to verify whether 2025-26 A&I plan goals for each of those schools were on track.

Districts that don't meet plan goals after three years are to consult with the commissioner on improvement plans and use up to 20% of their annual A&I revenue to fund improvement strategies—strategies that will make it more likely for a district to meet their new A&I goals (Minn. Stat. § 124D.862, subd. 8).
