Julie Kaestnar

For Girls Golf, this week's athlete is Julie Kaestnar! Julie was nominated by Coach Rogers because Julie is a sophomore on our varsity golf team who continues to impress with her hard work, dedication, and determination! She recently had an incredible round, shooting a 36 — even par! Julie’s commitment to improving her game and giving her best every time she steps on the course does not go unnoticed. She is a hardworking teammate and an important part of our varsity squad! We’re so proud of Julie and all she has accomplished this season.
Congratulations Julie! Go Creek!
