533 ATTENDANCE BOUNDARIES FOR ELEMENTARY SCHOOLS

I. PURPOSE

The purpose of this policy is to address the elementary school attendance boundaries.

II. GENERAL STATEMENT OF POLICY

A. The attendance boundaries for elementary school as previously adopted and revised shall remain in effect. As of this date, parents may choose to have their child(ren) attend outside of the designated attendance area with the understanding that they are responsible for the transportation of the student(s).

B. Students may b e denied transfer, even if the parents are will to transfer, if the transfer causes an imbalance in class size at the new site.
